Free SMRT bus passes are ending on April 8th. Yes, you heard that correctly. PVHS will no longer hand out free SMRT busses to students. Our district now has enough big yellow busses and students can take this form of transportation to and from school. Students must have their ID card to board the yellow bus and will not be admitted without it. If you are not sure of a bus near your address, please go pick up a map from the front office. Students who have lost their ID card should go pay for a new one in the business office. (SHerrera 3/15-16, 22-23)
