Melanie Gladdin discussed the date of the Spring Fling which is April 18th and the committee discussed possible activities for that day. We will keep the same time for school council meetings for next year which will be 4:30pm. The group discussed ways we could advertise for more help with School Council. Mrs. Cobb said that PTO and school council meetings can be together to encourage more people to come. Mrs. Bazemore suggested more advertisements at the beginning of the year and also suggested giving out information at car riders to get more parents involved. Mrs. Cobb thanked everyone for their support and help making this year a success. The meeting was adjourned at 5:00pm.
