

Free Nutritious Food is Available for Your Child on Weekends Through the **SNACK IN A BACKPACK** Program

Registration Form

Snack in a Backpack works with the staff and teachers at all **Fannin County Schools** to offer a supply of nutritious meals and snacks for all children 17 and younger on weekends and extended breaks, free of charge. Bags are distributed by Snack volunteers on Thursday or Friday before the weekend or school break. Your student will bring a bag home to enjoy at home. We are in our 15th year of serving the families of Fannin County, GA.

If you believe your child could benefit from this program, we encourage **you to sign up by filling the form out below and returning it to your child's teacher**. Only one form is needed for all the children in your family that attend the same school but include information for each child in the spaces below. This information is kept confidential.

Once your child is signed up, they will receive bags of food each week throughout the school year until they leave the school or until you no longer wish to participate. If your child has a food allergy we will try to accommodate them, but we do prefer a doctor's note because of the cost of certain food items.

We encourage you to take advantage of this program for your family and your children to help meet nutritional needs. Our bag consists of 2 milks, 2 cereals/oatmeal, a canned protein, mac & cheese, fruit & grain bars, fresh apples, and other foods as available. Questions or Concerns? Please contact your school guidance department.
