# VERNONIA AND MIST ELEMENTARY BOARD REPORT

March 14, 2024

"Building Bridges, Clearing Paths"

### 2023-2024 Elementary Goals

- Implement Step-Up to Writing and 6 +1 Traits of Writing
- Train on 5 Pillars Evaluation System & Walkthroughs
- Implement PLCs (Professional Learning Communities)
- Implement PBIS (Positive Behavior Intervention Systems)

### Step Up to Writing

Our staff engaged in writing PD with Neilia Solberg on Thursday, February 22nd. The PD focused on reviewing circle charts, 2 column notes and verbal rehearsal. A year long plan was also developed to support writing across the curriculum as well as how to support handwriting instruction for automaticity. The PD was impactful and we have seen immediate changes to writing at all grade levels.

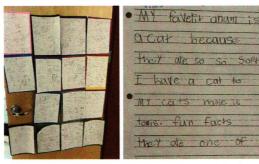

Our staff will be engaged in more writing training with Neilia in March, April, May and June.

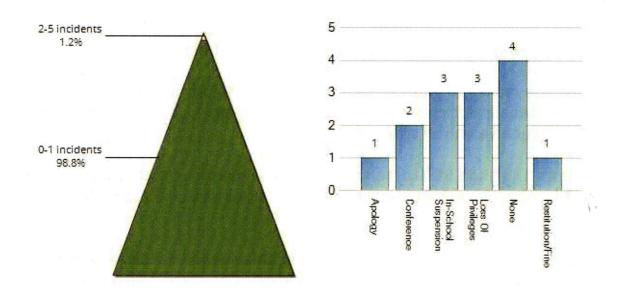

### 5 Pillar Walk Throughs

March Walk Throughs will be focused on High Expectations.

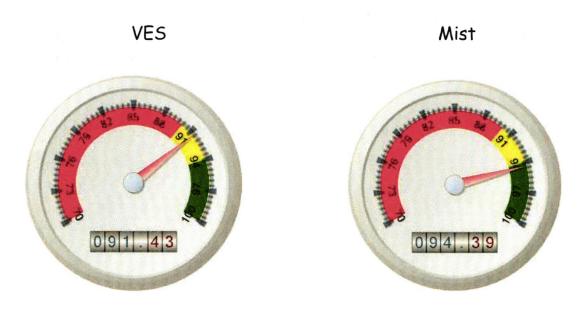

- I create a culture of high expectations and achievement in my classroom
- I consistently use data to promote student growth and achievement
- I consistently understand and meet the individual learning needs of all my students.

Behavior Referrals for the Month of February 1- March 4, 2024

Behavior Incident Distribution Incidents by Action

Average Attendance Percent: February 1- March 4, 2024

# <u>PLCs</u>

We have adjusted our schedule for PLCs to meet weekly on Mondays from 2:45-3:30 pm. Every week, teachers will bring their class writing samples to discuss next steps for writing instruction focused on 1 of the 6 writing traits.

### <u>PBIS</u>

Our school wide goal is to earn 5,000 Loggers for a Masked Singer

Assembly. Students have earned 2, 936 Loggers so far towards this reward. Overall, our students have earned 17, 612 Loggers for the year for being safe, respectful, responsible and kind.

During the month of March, we will be engaging our students in a class March Madness Attendance competition. After 4 weeks, the class that wins will receive an ice cream sundae party.

Students that had 90% attendance for the month of February earned a cool logger drawstring backpack at our assembly on Friday, March 8th.

We also started a 100% classroom daily attendance initiative where classrooms will post a sign outside their room to show they have 100% attendance.

Our self manager program is growing and we will be onboarding our third grade self managers at the beginning of the fourth quarter. Our self managers participate in a host of jobs on a daily basis from helping in the cafeteria to assisting the office with lunch count and bus notes.

### VSD Special Education Goals 2023-2024

- Develop Structured Learning Center K-12 classrooms
  - SLC staff continue to implement basic classroom procedures and support for students, such as consistent use of visual student schedules and individual incentive plans.
  - SLC recently had an instructional assistant resign due to a personal and family need.
     We are excited to interview applicants for the position.
- Develop special education department systems
  - Our special education team will soon begin work to improve our practices when writing IEPs. Our teachers already create compliant documents. However, we will work to maintain consistency across all case managers and ensure that our IEPs are not only compliant but maintain current best practices.
- Expand professional development offerings for special education licensed & classified staff
  - Special education teachers and instructional assistants will complete required training for the Smarter Balanced assessments in the next two weeks. This will ensure staff can deliver the state assessment and any accommodations required for special education students when the District offers the tests this spring.
  - Vernonia was recently awarded funds through a Safe Schools grant from ODE. This
    is a reimbursement-based grants that will allow our district to expand training, such as
    Safety Care, which prepares our staff to respond to challenging, even unsafe, student
    behavior.
- Implement Tier II Interventions at VMS
  - Reading groups are underway at the sixth grade level. We are wrapping up placement tests for the eleven participating students and will begin delivering intervention soon after.
  - On March 13<sup>th</sup>, I will attend day one or a two-day training with Dr. Anita Archer at NWRESD. During these sessions, Dr. Archer share information about explicit instruction tied to the Science of Reading, and provide training on walkthrough observation tools administrators and leadership teams can use while supporting teachers in the area of literacy instruction.

Jim Helmen-Superintendent Board Report March, 2024 **70-70-90** 

### **Celebrating Classified School Employees**

Last week, we celebrated our classified employees during Classified Employee Week.
 Our Classified staff is the foundation of the Vernonia School District. They work tirelessly behind the scenes to ensure our students receive the support they need to succeed.
 Whether maintaining our buildings, preparing healthy meals, or providing direct instruction to our students, they always show up and give their all. Their dedication and commitment to our students, staff, and families are truly inspiring, and we are grateful for everything they do.

### **VSD Student Performers**

• I want to recognize the Vernonia High School Robotics Team, OHSET Equestrian Team, Boys and Girls Wrestling teams, Boys and Girls Basketball teams, and their coaches for their successful seasons. I also want to thank the senior athletes who competed with pride during winter sports, representing their school, family, and community. Thank you for your hard work and dedication!

### **State School Funding and Budget Planning (Outlook)**

- The state school fund is in its second year of the SSF Biennium, representing the second half (51%) of a statewide allocation of \$10.2 billion and 51% from the legislative proposed budget for 2023-25 across the state.
- We are reviewing 24-25 budget allocations and state school fund projections, input from staff and community budget surveys, and district-wide data to help us identify potential areas for district-wide programming adjustments or additions to meet our student educational needs.
- Our first Budget Committee Meeting is on Thursday, April 18, 2024, at 6:00 p.m. at the VSD Library. During the meeting, we will present the budget message and proposed budget.
- The district is still searching for three members to join its budget committee. Information has been distributed to the community.

### Oregon Legislation Impacting School Board Procedures

### **SB 1502**

On March 6, 2024, Oregon enacted Senate Bill 1502, which mandates school districts to record governing body meetings. If the public body's facilities do not have broadband internet access, they must make audio recordings instead and post the video or audio recordings, as applicable, on their official public body websites or social media sites. This requirement does not apply to districts with fewer than 50 students and excludes executive sessions. The recording requirements of SB 1502 will commence in January 2025. This bill aims to increase school board transparency and provide better access for public participation.

### SB 1583 A

- The bill prohibits discrimination when selecting public school textbooks, instructional materials, program materials, or library books. The amendment clarifies that provisions apply only to general elementary and secondary school library materials.
  - The proposed bill aims to prohibit school boards and other officials from denying or withdrawing library books or textbooks that feature the viewpoint of protected groups such as people of color, LGBTQ individuals, religious minorities, and others. This means that educators can only remove certain materials if they are authored by or contain the perspective of members of these groups.

Jim Helmen-Superintendent Board Report March, 2024 **70-70-90** 

 The bill was introduced this year by state Sen. Lew Frederick, D-Portland, in response to a rise in school book challenges by parents around the country. Frederick says the proposal builds on existing laws banning discrimination in schools and doesn't block districts from pulling books that are not age-appropriate for students.

### Administrator and Certified Contracts for the 24-25 school year

- School administrators have completed the renewals of K-12 certified teacher recommendations.
- The superintendent has completed renewals for the K-12 administrators.

### **Columbia Health Services- Summer Options**

- Columbia Health Services will continue offering therapy services to students and families currently served throughout the summer. (This will be a new service option for VSD)
  - If therapy slots become available during the summer, Georgia (VSD/CHS
     Therapist) will contact students and families on the established referral list.
  - We want to thank Columbia Health Services for continuing to partner with VSD to offer full-time Mental Health Therapist Services to our students and families.

Comments: Hello!

Work on the budget for 2024-2025 is going well. Jim and I will have things ready for the budget committee meetings starting in April.

Currently I am working with the auditors on the Interim Audit for the current year. We usually work with them directly for a week in the spring, then again for another week in the fall to complete the audit work.

We continue to have an ending fund balance estimate of around \$500,000.

Thank you!

PUBLIC COMMENT

#### 4.0 SHOWING CASING of SCHOOLS

**4.1 Administrative Reports**: Administrator reports were provided to the Board prior to the meeting.

ADMINISTRATOR REPORTS

Amy Cieloha asked Mr. Underwood about the student surveys. Is there a plan to implement anything as a result from the survey? Mr. Underwood explained that survey results were analyzed at the staff professional development in January. Things are being implemented in the classroom on a regular basis. The survey was sent to all students including VFA students.

Amy Cieloha also asked how the new reading interventions will impact the rest of the school and the current IA placement. Mr. Helmen explained that this process will reallocate what we have available. Some IA's may begin to work with different students in the same classroom.

Mr. Helmen highlighted that our current Special Education numbers are at 14% this year. The State only funds Districts for 11%. He recognized the Middle School Team and Mr. Underwood for doing a ton of work on the VMS Tier II Reading Intervention program.

### 5.0 BUSINESS REPORTS:

**5.1** Superintendent Report: The superintendent report was provided to the Board prior to the meeting.

SUPERINTENDENT REPORT

A brief discussion regarding the state's education budget was held. According to Mr. Helmen, the level of funding for education will remain flat. He is hearing that the Governor will likely prioritize homeless and mental health support. The State School Fund (SSF) estimates should come out at the end of February first part of March. The Board will be kept updated.

Mr. Helmen also shared the District is moving forward with the ESSA paraprofessional requirement under Title IA. Susanne Myers will oversee and manage this. By the end of this school year, all instructional assistants will have gone through the process. If accommodation are needed, Susanne will work with staff over the summer.

The Head Football Coach has resigned his coaching position. He is remaining on staff as a teacher. Assistant and head baseball coaches have been hired and assistant track and assistant softball hiring is in process.

**5.1.1 Calendar Update**: The three pre-determined snow make-up days (Mar. 1, Apr. 19, and May 24), have been converted to school days. If any additional days of instruction are missed going forward they will be added at the end of the year.

SCHOOL YEAR ADJUSTMENT UPDATE

**Financial Report:** Marie Knight shared that she and Jim Helmen attended the Oregon Association of School Business Officials (OASBO) Budget Symposium this week. On her report, the projected ending fund balance is holding.

FINANCIAL REPORT

It was shared with the Board that the annual SEI filing with the Oregon Ethics Commission opens up on March 15, 2024. Board members are required to fill this out and need to watch email for information.
