

Here's what's new:

The Spring 2025 application period will open on October 22, 2024 and close on January 8, 2025. All interested 10th – 12th grade students will follow the detailed steps to:

1. **Step 1: Complete the online application**
2. **Step 2: Upload a high school transcript during the application process** (this step is required for admission)
3. **Step 3: Submit a signed enrollment authorization form** (forms can now be uploaded to the new MyWVU admissions portal)

(A 3.0 or higher GPA is still required to participate in the program)

It is recommended that you familiarize yourself with the detailed steps on the **APPLY** tab of the WVU HS ACCESS website before proceeding with the application: <https://www.access.wvu.edu/apply>

For returning HS ACCESS students ONLY: Students who are active this Fall 2024 semester should **ONLY** submit **Step 3: the Spring 2025 Enrollment Authorization Form** to be readmitted and registered for their next sequence of courses. Students must list their current **3.0 or higher GPA** and obtain the required three signatures on the enrollment authorization form. **Forms can be sent to my personal WVU email address or to the HS ACCESS email address.:**
accesswvu@mail.wvu.edu

For all BRAND NEW students: Students must apply for the Spring 2025 semester using the required steps: **Step 1: the Online Application, Step 2: Academic Transcript, and Step 3: Enrollment Authorization Form** to be admitted and registered for classes: <https://www.access.wvu.edu/apply>. Students who successfully complete Steps 1 & 2 through the new MyWVU admissions portal will receive an admission status update before being prompted to upload Step 3: the enrollment auth. form. *All accounts will remain pending without all steps in place and confirmation from the WVU HS ACCESS Office.*

The Spring 2025 WVU Course Listing: [COURSES.WVU.EDU](https://www.access.wvu.edu/courses) is live, so students can view their intended courses in real time. The steps to help you navigate through the WVU Course Listing to find classes is always on the HS ACCESS website here: <https://www.access.wvu.edu/courses> (If you missed the opportunity to take PSYC 101 online this semester, don't worry! There are quite a number of online seats available for Spring, so be sure to apply or reapply early to secure your spot.) 😊

The HS ACCESS tuition is still only \$25 per credit hour for WV residents and \$75 per credit hour for non-resident students. Please encourage all interested students to apply!

Let me know if you have any questions or concerns along the way, and I'll be happy to assist you.

Have a great day!
