Student Led Conferences

Student Led Conferences are today and tomorrow. Please let me know if you forgot your time or can't make it.

Harvest Party

Our classroom Harvest Party will be on Thursday October 31. This is a harvest party NOT a Halloween party. Students are NOT to dress up. We have one treat coming in. If you would like to send treats, plates, napkins, or a drink for the harvest party please let me know as soon as possible.

Multiplication

We are starting to learn multiplication of one digit by two, three and four digits and two digits by two digits. PLEASE DO NOT teach your child the standard algorithm. We will get there but I first need everyone to understand what we are doing and why. I don't want them to just learn a procedure. I have included a paper that shows open arrays and partial products which is what we will be working on first. If you would like me to explain it to you I am more than happy to.

Important Dates

- Parent Conferences - October 23, 24
- No School - October 25
- Harvest Party - October 31

| What we are learning | | |
|---|--|--|
| Math | ELA | Science |
| Multiplication IXL C.1, C.2, C.3, C.4, C.5 Imagine Math | Warm-up: Metaphors Writing: Informational Essay Spelling: NO SPELLING THIS WEEK! Language: Verbs IXL: B.1, G.2, Q.1, JJ.6 | The Birth of Rocks We will finish our Election 2023 unit after Nov. 5. |
