**Potassium Iodide (KI) Permission Slip
2022-2023**

Please be advised that your child should not receive potassium iodide (KI) if he or she is allergic to iodine. If you should have any concerns regarding the emergency use of KI or questions on your child's health and the use of KI, please discuss this with your child's doctor.

I have received, read and understand the fact sheet on potassium iodide (KI). I understand that in an event of a nuclear release my child may be given KI, subject to my permission.

- I **do** want my child to be given potassium iodide (KI) in the event of a radiological emergency only when recommended by County and/or State Health officials
- I do **not** want my child to be given potassium iodide (KI)
- Do not** give potassium iodide to my child because he/she is allergic to iodine or has a medical contraindication.
