**2023- 2024**

## **A GUIDE FOR Students, Faculty, and Patrons**

All students are responsible for the information and regulations included in this handbook and are subject to all rules and regulations set forth by the Anadarko Board of Education, State Department of Education, and the Oklahoma Secondary Schools Activities Association.

### **Find Success at the Anadarko Middle School**

Welcome to Anadarko Middle School. – A school designed especially for your child. Our goal will be to assist your child in making a positive transition from elementary school, to middle school, and into high school. During the “middle school” years, the teaching staff will provide education experiences that will emphasize differentiated instruction in order to maximize learning.

In addition to your child’s academic endeavors, they will have opportunities to make friends and participate in a variety of age-appropriate activities if they so desire. Their success at school will depend on their attitude toward school and toward their classmates.

Our administration, teachers, and staff would like to form a compact with you and your child. Research shows that students do best in school when parents are involved with supporting their children’s education. Likewise, student performance improves when schools reach out to families to establish partnerships.

Compacts are voluntary agreements between the home and school that describe specific activities that teachers, families, administrators, and students will undertake to support students’ learning. Please review the compact included in the enrollment packet as well as your child’s AMS Planner and join our middle school partnership.

This handbook/planner aids students’ organizational skills, promotes academic success, and increases communications with parents. We hope the information contained in the AMS Planner/Handbook will help you and your child become familiar with the services, procedures, rules, and regulations at the Anadarko Middle School. Our staff is anxious to promote a positive learning atmosphere. We feel that respect for others, regard for public property and consideration of the rights and welfare of students should be guideposts for all of us.

It is our hope that you will take an active role in our school and in its activities. It is also our desire that you will take pride in the school and promote positive feelings. Take pride in being a parent/guardian of an “Anadarko Middle School Warrior.” Make 2023- 2024 the best year.

**Wishing You Success,  
LaVonda Bost – Principal**

## ADMISSION, PLACEMENT AND TRANSFERS

**Admission:** The following students shall be admitted to the district if they meet the age, immunization, and good standing requirements set forth in this policy:

- A. Students who are legal residents of the district;
- B. Students who have a legal transfer into the district;
- C. Students who have been accepted by the district on a tuition basis; and
- D. Foreign students who have been accepted by the district as nonimmigrant (F-1) Students.

Non-accredited home school students who wish to be admitted to the district may be enrolled on a full-time or part-time basis if the student meets the requirements for admission. Part-time admission and enrollment may be allowed in the core subject areas and/or elective subject areas.

Students enrolling at the middle school from non-accredited schools or have been homeschooled will be placed in grade levels and in courses based upon education factors, primarily academic mastery as demonstrated on tests that assess the student abilities in reading and math. Students will be placed based on these testing results.

A parent who disagrees with the placement decision of the school may present a written objection for inclusion in the student's permanent folder and may ask the superintendent to review those objectives.

### Immunization Requirements:

No student shall be permitted to enroll in the district unless the student presents to the school at the student's initial enrollment either of the following:

- A. Certification from a licensed physician or authorized representative of the State Department of Public Health that such student has received, or is in the process of receiving, immunizations required by the Department of Public Health, or that such student is likely to be immune as a result of the disease; or
- B. A certificate of exemption form stating that the child is exempt from the immunization requirements on the ground that (1) the physical condition of the student is such that immunization would endanger the life or health of a student, signed by a physician; (2) the parent, guardian or person having legal custody of the child objects to such tests or immunizations for religious reasons; or (3) the parents, guardian or person having legal custody of the student claims an exemption for personal reasons. A copy of the certificate of exemption will be forwarded to the Department of Public Health for review and approval.

### GOOD STANDING REQUIREMENT

A student must be in good standing at the time of withdrawal from any previous school in order to enroll at the middle school. A student who has been suspended from a public or private school in the State of Oklahoma or another state for a

violent act or an act showing deliberate or reckless disregard for the health or safety of faculty or other students shall not be entitled to enroll in the district. No public school shall be required to enroll such students, until the terms of the suspension have been met or the time of suspension has expired.

## OPEN TRANSFERS

A student whose parent (s) reside(s) outside the district must apply for a legal transfer to attend the Anadarko Middle School. The appropriate application must be completed and submitted to the superintendent before February 1 of the school year preceding the school year for which the transfer is requested. The district shall notify the student's resident school district of the application for transfer by March 1. The district's board shall approve or deny the application for transfer no later than June 1 of the school year in which the application is submitted. A student granted an open transfer shall be entitled to continue to attend school in the district for the year in which the student is transferred, but must reapply for the open transfer on a yearly basis.

### The district shall consider Open Transfers for the following students.

- 1. Students who reside in a school district that does not offer the grade the child is entitled to pursue; and/or
- 2. Students who have exhibited no major discipline problems in their resident school, such as long-term or several short-term suspensions;
- 3. Students who have exhibited good attendance, that is, a minimum of 80% attendance in the previous semester or school year in their resident school; and
- 4. Students who can provide the district with positive letters or verbal recommendations from their resident schools.

Emergency transfers: In addition to the open transfer process provided above, students may be transferred on an emergency basis. A written application for an emergency transfer shall be made by the parent and submitted to the superintendent. On an adequate showing of emergency, the superintendent may make and order a transfer, subject to approval by the State Board of Education. An emergency shall include only:

- 1. The destruction or partial destruction of a school building;
- 2. The Inability to offer the subject a pupil desires to pursue, if the pupil becomes a legal resident of a school district after February 1 of the school year immediately prior to the school year for which the pupil is seeking the transfer;
- 3. A catastrophic medical problem of a student, which for purposes of this section shall mean an acute or chronic serious illness, disease, disorder or injury which has a permanently detrimental effect on the body's system or renders the risk unusually hazardous;

4. The total failure of transportation facilities; or
5. The concurrence of both the sending and receiving school districts.

An emergency transfer previously made may be canceled, with the concurrence of the board and the parent. Unless canceled, a student granted an emergency transfer shall be entitled to continue to attend school in the district for the year in which the student is transferred, but must reapply for an emergency transfer on a yearly basis.

## SCHOOL PROCEDURES

### ABSENCES

**General:** Every student shall attend school regularly. Regular attendance at school is necessary for students to successfully progress in and fully benefit from the education experience, teaches students the necessity of regular attendance in preparation for work, and teaches students to be personally responsible. The Administration shall notify a student's parent or guardian regarding the student's absences and tardies as set forth in Administrative Regulations or Student Handbook.

Absences: Students are expected to attend all classes if possible, and are expected to attend at least ninety percent (90%) of scheduled classes per academic year. In order to receive credit for the course or grade in which the student is enrolled, a student may not have more than 16 absences per year. Both excused and unexcused absences will count towards this total. If a student has more than the allotted number absences, they can schedule a meeting with the attendance committee to justify their excessive truancy.

Absences from scheduled classes due to participation in school-sponsored or endorsed activities shall be excused absences but shall not exceed ten (10) days unless approved by the Superintendent or the Superintendent's designee or otherwise excepted as set forth herein. Absences due to activities for which the student is attempting to earn or has earned the right to compete on a state or national level and absences due to participation in a remote Internet-based course approved by the Board shall not be considered for purposes of the ten (10) day limitation. Additionally, the sponsor of an extracurricular activity may submit a request for an exception to the principal when a student has a GPA for the current semester of 3.0 or higher.

Excused absences include, but are not limited to illness, doctor's appointments, and serious matters involving family members, religious observances, and death in the family or attendance at funerals. Students who miss due to an unexcused absence will have to make their assignments up on their own time at after-school tutoring or Saturday School (if available). Students who miss due to excused absences will have the same number of days that they miss to make up their work. If they are not made up in a timely manner, points can be reduced or a zero can be given in place of their grade.

When a student is absent, the parent/guardian is requested to phone the middle school at 247-6671 on the day of the absence. If the parent or guardian does not call, a note must be sent with

the student when they return. The note must have the student's name, date(s) of absence, the specific reason for the absence, and have the signature of the parent/guardian. It should be taken to the office before school.

A student leaving during the school day, after 8:04 a.m. and before 3:14 p.m., must use the following procedures:

**a. Parent/guardian or approved family representatives must sign the student out in the office. Parent/guardian must sign the student back in if the student returns on the same day or provide documentation with the student at the time the student signs back in.**

**b. All early dismissals for doctor's appointments will require a doctor's note or receipt upon the student's return to school.**

**c. Students will be called out of class when the parent has arrived in order to best utilize class time.**

**OSSBA rules require students to be in attendance to participate in any activity that day. When a student has four unexcused absences, they will be reported as truant and parents will be sent a notice to contact the principal, and a letter of concern will be mailed to the District Attorney's Office as required by Oklahoma law.**

In order to be successful in school, regular attendance should be a goal. Students should be on time for school, which begins at 8:00 a.m., and be punctual to all classes throughout the day.

### EXTENDED ABSENCES

Parents may request for student homework during an extended absence. Twenty-four hour notice should be allowed after the request is made for the teachers to write out assignments. Parents should make every effort to pick the work up after making the request.

### ABSENCES

After a student's fourth absence a notice of concern will be mailed to the student's parent/guardian concerning absenteeism, and a copy of the Oklahoma Mandatory Attendance Law.

After the sixth absence, a second notice will be sent to the Caddo County District Attorney for the purpose of juvenile proceedings pursuant to Title 10 of the Oklahoma Statutes. (70-10-106). A notice will also be sent to city court.

After a student's seventh absence during a semester, the parent/guardian will be asked to confer with the building principal to discuss what measures will be taken to prevent further absenteeism.

After the student's eighth absence, a letter will be mailed to the District Attorney's Office asking that the mandatory attendance law be upheld in district court.

All exceptions to this rule concerning medical problems or family emergencies must be submitted in writing by the student's parent/guardian including a doctor's statement, medical receipts, and other pertinent information. The building

principal will determine all exceptions. If the exception is denied, the parent/guardian may request a review by the attendance committee, which is composed of the building asst. principal, attendance coordinator, a teacher, and a counselor. Students will be responsible for making up all class work and assignments missed during an absence. Students are given one day to make up work for each excused absence. If assignments are not made up in a timely manner, points can be reduced or a zero can be given in place of their grade.

### **ATTENDANCE**

Students are required by Oklahoma Law to attend school regularly and promptly. Excused absences include but are not limited to illness, medical appointments, serious illness or accident involving a family member, religious observances, funeral or death in the immediate family. Students who miss school may have the opportunity to log into their classes virtually for 5 days per semester, **if arrangements are made in advance with the principal** in order to complete their work for the day missed.. In doing so, the student will not be counted absent. Students who do not make these arrangements will be required to make up their assignments on their own time or in after-school tutoring but will still accrue absences for days missed. If a student is absent for a doctor's appointment a note from the physician's office is required for it to be counted excused and/or to participate in school activities. Unexcused absences include, but are not limited to, truancy, leaving school without proper approval, personal business, work, babysitting, hair appointments, transportation problems not caused by the district, and tardiness. Students who are absent from class due to an excused absence shall be allowed to make-up assignments and tests missed. Students shall be allowed one school day to make-up work for each day missed due to absence. Students should not arrive earlier than one half hour before school begins. Any student who is more than ten (10) minutes late to their 1<sup>st</sup> class is recorded absent. All students must leave the campus within 10 minutes after school is dismissed, unless they are in an activity, after school tutoring; has staff permission, or are attending detention. Three minutes are allotted between classes. **APS students learn best while in the classroom. Per the state, students who are not in attendance for 90% of the school days may fail due to lack of attendance. Per OSSBA regulations. It shall be unlawful for a parent, guardian or other person having custody of a child who is over the age of five and under the age of 18 to neglect or refuse to cause or compel such child to attend or comply with the rules of some public, private or other school.**

### **WITHDRAWALS**

When it is necessary for a student to withdraw or transfer from Anadarko Middle School, the following steps must be taken by the student:

1. The parent/guardian will need to call the counseling office in advance of the date of withdrawal. A written statement by the custodial parent which states the student's last day of attendance at the middle school and the name of the new school or town will need to

be presented to the counselor.

2. The student will report to the Counseling Office immediately upon arrival at school on the last day of attendance. The counselor will give the student a withdrawal form and directions for completing the withdrawal process.
3. The grading policy for withdrawal grades is as follows:
  - A. The grade will be based upon performance from the beginning of the semester to the date of withdrawal.
  - B. A student must be in attendance two (2) weeks to receive a grade.
  - C. When a student withdraws before the end of a term, he will be considered ineligible for honors.
4. All books and materials must be returned or paid for before withdrawal can be completed, unless other arrangements are approved by the principal.
5. At the end of the day, the student will report back to the Counseling Office for final approval.

### **TARDINESS:**

Tardy is defined as arriving within the first ten (10) minutes after the class bell rings. Students who are tardy in the morning for their first period class must report directly to the office for an admit. For all subsequent tardies, students will report to class. Each teacher will record individual tardies as (TU) tardy unexcused. A student who comes to class after that time is counted absent for that period. An absence for tardiness will be characterized as excused or unexcused based on the criteria listed for absences.

**Students may be considered tardy if they are not inside their classrooms, seated or prepared for class when the bell rings for class to begin..** Beginning with the fourth tardy, the student will make plans for improvement as follows:

1. Fourth unexcused tardy – 1 day of lunch detention
2. Fifth Unexcused tardy – 2 days lunch detention
3. Sixth Unexcused tardy-3 days lunch detention.
4. Seventh Unexcused tardy-1 day In school
5. Eighth Unexcused tardy-2 days In school
6. Ninth Unexcused tardy -3 days In school
7. Parents will be notified by mail for each occurrence. Students still struggling with arriving to class on time will receive an appropriate consequence determined by administration.

\* Tardies are monitored weekly per semester.

### **RULES FOR DETENTION**

If a student is considered a no-show for any unacceptable reason, a student will be assigned further consequences by administration.

A tardy will not be excused by having the parent bring the student in, nor is a tardy excused when the parent is the cause of the tardy. Medical issues or emergencies will be handled individually.

### **APPEAL OF ATTENDANCE RECORD**

Appeals dealing with attendance and tardies must be made to a principal-appointed committee. A request for an appeal must be made within ten (10) days of receipt of the notification that attendance requirements have not been met. This notice shall inform students and their parents or guardians that credit for courses and/or promotion to the next grade or level is being denied. The committee shall determine, at the end of the term, if there are extenuating circumstances for the student's failure to meet attendance requirements and shall provide the student and the student's parents or guardians with a notice as to its decision. The decision of the committee shall be final.

### **TRUANCY**

The district may take reasonable measures to enforce the provisions of the compulsory attendance laws to ensure that all students attend school on a consistent basis. During the times when school is in session, the district's attendance officer or any district administrator may detain and assume temporary custody of any student enrolled in the district who is subject to the compulsory attendance laws, who is found away from home, and who is absent from school without excuse. The district's attendance officers and the building principals are responsible for enforcing the attendance requirements.

### **SCHOOL ACTIVITIES**

**Students may not be allowed to participate in or attend after school or evening activities if they are absent with an unexcused absence the day of the activity, or if they are serving a suspension or are serving time in In School Detention.** The school will not assume responsibility for students when they leave the supervised activity and/or area. **STUDENTS WILL BE REQUIRED TO ADHERE TO SCHOOL DRESS AND SCHOOL POLICIES. AND STAY SEATED DURING ALL SCHOOL ACTIVITIES. ROAMING AROUND, GOING IN AND OUT AND STANDING IN WALKWAYS OR AT THE CONCESSION AREA WILL NOT BE PERMITTED. Students will lose their right to attend and/or be removed from the activity and asked to call a parent/guardian if they violate this requirement.**

Students enrolled in athletics are responsible for obtaining their athletic pass from their coaches.

### **APPOINTMENTS/LEAVING SCHOOL**

Anadarko Middle School is a closed campus, and students may not leave the school grounds during the school day. Students who need to leave for medical appointments must be checked/signed out of school by a parent, guardian or other persons designated by the parent. If contact cannot be made with the custodial parent a child will not be released to anyone not pre-designated by the custodial parent. Students who leave campus without permission shall be subject to disciplinary action.

### **VISITORS**

**All visitors must sign in at the principal's office before visiting**

**students or personnel.** For safety purposes all visitors, substitutes, parents, etc. visiting our school will be required to sign in and wear an identification badge for the duration of their visit.

### **TEXTBOOK & DEVICE DISTRIBUTION**

**The teacher in charge shall distribute books for each class. The distributing teacher shall record each student's name, the identification number of the book, and the condition of the book. Students shall not deface books in any way. Fines or the cost of replacement may be assessed for damaged or lost books.** Electronic Devices are checked out to the students who have a signed agreement. Students will be responsible for any damage to the device while checked out to them. There is no legitimate expectation of privacy in the use of the school district's technology.

### **PASSES**

Students may not be out of class without their student planner pass and are responsible for reporting to the location designated on the pass.

Students who fail to adhere to this policy are subject to disciplinary action.

### **HALL CONDUCT**

1. Walk-do not run inside the building
2. Use a conversational tone of voice in the halls.
3. Avoid blocking the halls, and doorways.
4. Pick up papers or trash in the hall and use the wastebaskets to discard unwanted objects.
5. No pushing, shoving or horseplay will be tolerated.

### **MONITORS**

#### **HALLWAYS, PLAYGROUND AND BUSES**

The Anadarko Middle School is equipped with 24-hour surveillance cameras. To help assure a safe school climate the monitors will aid administration in determining innocence and guilt for any problem that might arise in these areas.

### **LUNCH**

**Students should assume they would go outside after eating lunch unless advised otherwise by the office: therefore, they are to get their coats and go to the restroom before going to the cafeteria. Once students enter the cafeteria during lunch, they will not be permitted back into the halls, lockers, restrooms, etc unless they have permission from the hall duty teacher.**

All students are to walk (escorted if necessary) to the cafeteria. Students are not to hold places or take cuts in line. All students who eat a hot lunch should get in line promptly. Lunch is to be eaten in the cafeteria. **No food/drink will be taken from the cafeteria nor stored in lockers.**

All students are asked to keep noise levels to a minimum while in the cafeteria. Students should avoid spills and leave the tables and chairs clean for others who follow. Students are not to pick up or move chairs, except to push their chairs up next to the tables when they are eating. Students should scrape their trays and place utensils and trays in the appropriate place

immediately after they eat.

**Students are not allowed to have food brought to them from outside the school..**

Students must go outside or to the library after lunch unless they are ill and/or have a note to show the teacher on duty. This provides space for other students to sit down and gives kitchen help time to clean tables between lunch periods. Students are to always be polite to the lunchroom and janitorial staff.

When students are instructed to remain inside, they are to remain seated after putting up their trays. Supervisors should be dismissed by rows and students should remain seated until they have been dismissed.

All students who follow these rules will be allowed the freedom of choice to sit where they like.

**TRANSPORTATION**

Riding a bus is a privilege, which may be lost if behavior is inappropriate. All students are given a copy of the bus rules to be viewed by both the students and a parent or guardian. On the bus, students are under the direct control and supervision of the bus driver. If there are problems, the driver will file a written report with the school administration and appropriate action will be taken. The following are bus behavior guidelines:

- All students should enter the bus safely, no running, pushing, or shoving.
- Video cameras are on every bus during each route. The videotapes will be previewed to determine innocence or guilt.
- Don't change seats while the bus is in motion.
- No throwing of any objects or materials on or out of the bus.
- Keep all talking to a low tone, no yelling, or shouting.
- Keep arms and hands inside the bus at all times.
- Keep feet, legs, and all articles out of the bus aisles.
- Don't mark, cut, or damage bus seats or interior in any manner.
- Be a friend; share your seat with others.
- No profanity or vulgar language at any time.
- Be a good example to all smaller students.
- Wait until the bus comes to a complete stop before leaving your seat in departing.
- No food or drink on route buses.

**Questions concerning drivers, buses, or routes may be answered by calling the bus barn at 247-5212.**

**BICYCLES**

Bicycles should be parked in the bike area when school begins. They should remain parked and locked until dismissal at 3:14 p.m. The middle school cannot be responsible for the security of bicycles parked and locked on campus.

**CHANGE OF ADDRESS OR PHONE NUMBER**

**Report any CHANGE OF ADDRESS or PHONE NUMBER to the office as soon as possible.** Up-to-date emergency numbers

and addresses are essential for the office to communicate with the home.

**LOST AND FOUND**

Students need to write their full name on their school supplies, clothing, and other belongings. Should you lose anything, check the lost and found box located in the office. Look for your belongings during lunch or after school, not during class time.

**AMS TELEPHONE**

Students will be permitted to use an office telephone if they are ill, need medication, or if the school changes plans unexpectedly (for example, sports practice or a game is canceled). Using the office phone for making personal plans, which can be arranged before arriving or after leaving the school, is inappropriate. Basic Phone procedures are:

1. Students must receive permission from their teacher or office personnel before using the phones.
2. If someone should call for you at school you will not be brought from class to answer the phone. The person may leave a message, and the message will be delivered. In the case of an emergency, the message would be delivered as soon as possible.
3. **Messages called into the school after 2:30 p.m. are sometimes not possible to deliver before school ends. Please make sure your parents are aware that messages received after 2:30 p.m. may not be delivered.**

**ELECTRONIC WIRELESS TELECOMMUNICATION DEVICES**

The Board of Education promotes an environment for instructional learning that is safe and secure. Therefore, the district establishes the following rules for the use of wireless telecommunication devices: cellular telephones; pagers; personal digital assistant (PDA), Earbuds, etc.

**Earbuds should not be brought to school. We will provide students with the appropriate accessories to use with computers and Chromebooks.**

**Cell Phones are a major distraction in the classroom. Students are prohibited from possessing wireless devices during school hours. For safety reasons, students may possess wireless devices before and/or after school. During school hours, wireless devices must be in their locker turned off, in a teacher's possession, or in the office vault, but not on a student ANY TIME during the school day, including, but not limited to purses, pockets, and backpacks during lunch time, athletics, Ag, TE, PE. turned off and stored in the student's locker for the duration of the school day.

Discipline will be administered according to the following guidelines:

1. Suspected cases of head lice are to be reported to the nurse. Head lice are contagious and will not disappear without treatment.

3. Both the American Association of Pediatrics and the National Association of School Nurses advocate that "no-nit" policies should be discontinued.

### **ILLNESS AT SCHOOL**

Except for an emergency, a pass from a teacher will be required before a student goes to the nurse. The nurse will determine if a

student is to be sent home due to illness and in all cases will notify the parents/guardians and office personnel.

2. A student who vomits during the evening should not be sent to school the next day.
3. Parents/guardians are to transport students who become ill at school.
4. Parents/guardians are requested to report any contagious health condition to the nurse. Chickenpox requires a written release from the nurse for a student to return to class.

### **MEDICATION POLICY**

State law on procedures regarding medication binds Anadarko Middle School. The procedure is very strict because medication can be very dangerous if it is misused or abused; therefore, the following procedures will be followed:

3. Medication brought to school to be administered by school personnel must be in a prescription container with the pharmacy label that states the physician's name, the name of the medication, and the directions.
4. Only if a physician has made a diagnosis and has directed that specific medication be given, will it be done.
5. Non-prescription medicines must be in the original container and accompanied by the physician's written request and instructions.

9. **The permission for self-administration of asthma medication is effective for the school year for which it is granted and shall be renewed each subsequent school year upon fulfillment of the requirements of the section. The nurse or school**

**secretary has a form which the parent or guardian may use to fulfill the above requirements.**

Students will have one week to make-up all I's given during a grading period. After this time all I's will be changed to a letter grade reflecting the absences of any or all-missing grades. All students are expected to arrive at each class on time. Students should have all the required materials for each class, and assignments should be completed and ready to hand in when due. We expect that each student contributes to each class in a positive manner.

Middle school students will be expected to achieve and maintain their best efforts in each class. They have the responsibility of keeping themselves and their parents informed of their progress.

The teachers will utilize grading patterns that are fairly administered and based on identified criteria. Prior notification of the criteria and objectives will be available to students and to parents (upon request). Students will have one day to turn in work from the date the work was assigned. Points may be deducted after the one day time period at a rate determined by the assigning teacher. The teacher may choose not to accept late work. The teachers will use multi criteria assessments measuring student mastery of the stated objectives through projects, daily and common assignments, observations, nine week tests, etc.

All accumulated grades for a semester will be averaged to determine a student's semester grade. Bi-quarterly progress reports will be sent home with students. Grade and attitude checks may be mailed to the parents or sent home with the students. Regular communication with teachers is strongly recommended. Parents can view their child's grades online by requesting a password from the AMS counselors.

### **HOMEWORK**

Teachers may assign homework to students. The teacher, based on the needs of the students and the subject matter being taught, shall determine the type, frequency, and quantity of homework to be assigned.

### **PROMOTION**

Students may be promoted based on proficiency as provided by

law and the regulations of the State Department of Education.

### **RETENTION**

In general, students shall be placed at the grade level to which they are best adjusted academically, socially, and emotionally. The educational program shall provide for the continuous progress of students from grade to grade, with students, spending one year in each grade. However, some students may benefit from staying another year in the same grade, and under certain circumstances, a student may be retained more than once. Each school shall form a committee to review and make decisions regarding retention and promotion. The committee shall be composed of a classroom teacher, a counselor when available, the building principal and any additional personnel assigned by the principal. Evidence to be considered by the committee shall include mastery of state testing, attendance, work ethic, and the student's level of maturity. Retention may be considered when:

1. The student is achieving below his/her ability and grade level;
2. Retention would not cause an undue social and emotional adjustment; and
3. Retention would have a reasonable chance of benefiting the student's development.

Whenever the committee recommends that a student be retained at the present grade level or recommends that a high school student not be passed in a course, the student's parent or guardian shall be notified of such recommendation. If the student's parent or guardian is dissatisfied with the recommendation, the parent or guardian may appeal the decision by complying with the district's appeal process as set forth in administrative regulations or student handbook. A teacher may recommend that a student not be given credit due to a failing grade in the course or due to a failure to meet attendance requirements.

Students taking the tests for the core curriculum in grades 6-8 who receive at least a 90% on an assessment will be able to progress to the next level of the subject area. The counselor may be contacted to obtain an application for an exam. The exams are given in the first full week of school and the last week of school.**

In certain circumstances, students may be accelerated ahead of grade level. Such acceleration shall only occur after discussion with the student's teachers and counselors and approval of the student's parent or guardian and principal.

### **ATHLETICS**

A well-organized and well-conducted athletic program is a potent factor in the morale of the student body and an important phase of good community-school relations. Students benefit

through opportunities to grow physically and intellectually, to develop self-discipline, and to contribute to a team effort which is made possible by participation in competitive inter-school and individual sports activities. The district is a member of the Oklahoma Secondary School Activities Association (OSSAA), and in all athletic matters, will adhere firmly to the rules and regulations of that body and to the philosophy of sports, which it encourages. The eligibility of students to participate in the district's athletic program is determined in accordance with OSSAA regulations and will be monitored by coaches and principals.

The district shall provide interscholastic athletic competition for students in grades 7-12 in a variety of sports **The district shall allow students to participate in sports on the basis of their physical condition, desire, no grade lower than a D on last semester grades, and passing of mandatory and random drug tests.** The athletic program is both educational and recreational, should encourage participation by as many students as possible, and should be carried on with the best interests of the students as the first consideration without unreasonable interference with other obligations in the school community. A student may not begin practice for any athletic team until the student has been examined and approved by a medical doctor (submit a completed physical form), submitted a signed drug testing form, and written consent for such participation has been obtained from the parent. **The student who engages in athletics shall provide personal insurance against accident or injury.**

Students should not loan their personal items to other students for any reason. Do not bring expensive jewelry, large amounts of money, tapes, CD's, players, etc. to school or school activities. Lost money is almost impossible to recover and return to the owner. DO NOT BRING VALUABLE ITEMS TO SCHOOL!

Students will be orientated to the library and its usage at the beginning of the fall term. STUDENTS WHO ADHERE TO THE RULES OF THE LIBRARY WILL BE ALLOWED TO USE THE FACILITY ON A CONTINUING BASIS.

Teachers may send (2) students at a time to the library with their student handbooks to be completed by the teacher. It should include the students' names, the teacher's name, the date and time of departure from the classroom, the amount of time to be spent in the library, and most importantly, the specific purpose of the students' visit. STUDENTS SHOULD BE INFORMED THAT THEIR HANDBOOKS DO NOT ENTITLE THEM TO LOITER IN THE HALLS, GO TO THEIR LOCKERS, THE RESTROOM, WATER FOUNTAIN, OTHER CLASSROOMS, ETC., UNLESS THE TEACHER INDICATES ON THE STUDENT HANDBOOKS PERMISSION FOR SUCH STOPS. Students visiting the library during their lunch period do not need their handbook. Once they leave the library they will not be allowed to reenter during that lunch period. Students with gum, candy, beverages, or any other snack will be allowed to enter only after disposing of them.

Students should never loan their library book to another student. A lost or damaged book will be the assignee's responsibility, and replacement costs must be collected before they will be able to check out another library book. Fines may be worked off by making arrangements with the library staff.

1. Students will need to gather all their books and materials for all of their morning classes at 8:04 a.m. each morning. THEY WILL NOT BE ABLE TO RETURN TO THEIR LOCKERS UNTIL THE BELL RINGS FOR LUNCH. After lunch, students will need to gather all their materials and books for the remainder of the day, unless they have athletics seventh period and need to return to their lockers for their eighth period class.
2. Once students have been assigned a locker, students may not change lockers without approval from the asst. principal. Any student found switching lockers without permission will be returned to his/her original locker, and risks losing locker privileges.

Ipods or MP3 players, **sharpies or magic markers are prohibited.** All school supplies should be labeled for identification purposes. 5. Students who purposefully or continually jam or mistreat a locker (kicking or hitting it) will risk loss of locker privileges.
6. Do not place anything (stickers, etc.) that cannot easily and cleanly be removed on or in the locker
7. Drinks are not allowed in lockers unless they are unopened and a part of a student's lunch.

**VENDING MACHINES**

- The secretaries will have a complete list of all students that have checked out and will submit them to the administrator at the front entry of the school.
- Teachers that have acquired extra students will need to submit their names to the administrator at the front entry of the school.

In addition, any police officer in

possession of a valid warrant or with probable cause may search a student or a student's locker or vehicle.

Any search of a student to be conducted by district employees shall be conducted by a person of the same sex as the student being searched and shall be witnessed by at least one other person. The extent of any search shall be reasonably related to the objective of the search and shall not be excessively intrusive in light of the age and sex of the student and the nature of the infraction. No strip searches shall be conducted by school personnel, and only cold weather outerwear shall be removed prior to or during any search.

In addition, all student vehicles in any district parking lot shall be subject to search at any time.

If a student is searched and found to be in possession of any dangerous weapons, controlled dangerous substance, intoxicating beverages, low-point beer, wireless telecommunication devices, or missing or stolen property, such items may be taken from the student and preserved, and the student in possession of such items, may be disciplined according to applicable law, district policy, and administrative regulation.

#### **STUDENT DISCIPLINE, SUSPENSION, AND DUE PROCESS**

**Discipline:** Good discipline is vital to the educational program. Discipline should be fair, dignified, and administered with an even temper. Discipline may include, but is not limited to, conferences with students, parents, or guardians, in-school detention, noon school detention, distance learning when appropriate or necessary, referral to counseling or appropriate

social agency, referral to law enforcement, behavioral contract, financial restitution, restriction of or revocation of privileges, suspension or expulsion. Disciplinary action shall be based on an assessment of the circumstances surrounding each infraction, and may take into consideration the following criteria.

1. the student's attitude;
2. the seriousness of the offense;
3. the effect of the offense on other students;
4. whether the offense is physically or mentally injurious to other people;
5. whether the incident is isolated or repeated behavior; and
6. Any other circumstances which may be appropriately considered.

**Students with Disabilities:** Students with disabilities as defined by the Individuals with Disabilities Education Act ("IDEA") shall be disciplined in accordance with the policies and procedures established by the Oklahoma State Board of Education. Unless otherwise prohibited by law, students who are "handicapped" as defined by Section 504 of the rehabilitation Act ("Section 504") or students who are "disabled" as defined by the Americans with Disabilities Act ("ADA") shall be subject to the same discipline policies and regulations as any other student

**Police and school:** The imposition of school discipline and the action taken by the local law enforcement under the criminal or juvenile laws are independent of each other, so a student can be dealt with under criminal or juvenile laws for the same offense.

**Corporal Punishment:** The district recognizes corporal punishment as a means of discipline. However, corporal punishment will not be administered at the Anadarko Middle School. Students will be suspended and a parent/guardian will come to remove them from the premises. If a parent/guardian is unable to transport the student, school personnel will take them home only if an adult over the age of 21 is present or the student will be taken to the parent/guardian's place of work until acceptable behavior can be displayed.

**Suspensions:** An administrator may suspend a student when the student's behavior is in violation of the district's student conduct policy, administrative regulations, or directives received from school authorities and the behavior occurs while the student is:

- A. in attendance at school or any function authorized or sponsored by the district;
- B. in transit to or from school or any function authorized or sponsored by the district;
- C. on any property subject to the control and authority of the district; or
- D. not on district property by the student's action:

  2. adversely affect or pose a threat to the physical or emotional safety and well-being of other students,

- employees, or district property, or
3. disrupt school operations.

Before a student can be deprived by way of suspension of the student's right to an education, the student has the right to notice of the alleged misconduct and an opportunity to respond to the allegations. The appropriate administrator shall have a conference with the student and shall provide the student with notice of the alleged misconduct and an opportunity to respond to the allegations. If the student's response does not reverse the administrator's belief that cause for suspension exists, the administrator shall provide the student, or the student's parents or guardians if the student is under 18 years of age, with written notice of the decision to suspend which shall state the length of the suspension and the right to appeal the administrator's decision as set forth below. The administrator shall keep written records of each suspension conference identifying the date of the conference, the names of the persons present, the duration of the conference, and a summary of the statements of the persons present.

When determining whether cause exists for suspension or determining the length of a suspension, the student's prior history of disciplinary infractions during the current school year may be considered, particularly when similar infractions have occurred and other forms of discipline have not deterred such behavior. The administrator shall consider and apply, if appropriate, alternative in-school placement options that are not to be considered suspension, such as placement in an alternative school setting, reassignment to another classroom, or in-school detention. Except for suspensions for possession of a firearm/weapon, which may be for a period of not less than a one (1) year?

**Appeal of Suspension:** A short-term suspension is any suspension for ten (10) or fewer days. A long-term suspension is a suspension for more than ten (10) days. If the decision of the administrator is adverse to the student, the student shall be notified of the right to appeal the administrator's decision as follows:

1. A student may appeal an administrator's decision as to either a short-term suspension or a long-term suspension to a Suspension Appeal Committee by submitting a written request for an appeal to the administrator within five (5) days after receipt of the administrator's decision. If a timely request for an appeal is not received, the administrator's decision shall be final.
2. Upon receiving a request for an appeal, the administrator shall appoint a Suspension Appeal Committee of three certified employees and shall designate a chairperson for the committee. No employee may serve on the committee who was a witness to the student's conduct or who has the student in his/her class for the current school semester.
3. A hearing shall be scheduled during regular school hours, and the student and/or the student's parent or guardian shall be notified in writing of the date, time, and place of the hearing. The student may be represented by legal counsel at the hearing. The administrator who

recommended the suspension shall attend the hearing and may be represented by legal counsel.

4. The committee shall conduct an informal hearing as to the student's suspension which shall include a presentation by the administrator to the student's conduct, the policy, rule, or regulation violated by the student's conduct, and any evidence and/or witnesses that support the principal's decision to suspend the student. The student and/or the student's parent or guardian shall then be given an opportunity to respond to the testimony and evidence presented and to present any evidence and/or witnesses in support of the student's position.
5. At the conclusion of the hearing, the committee shall deliberate outside the hearing of the administrator and the student and shall render a written decision as to the guilt or innocence of the student and the reasonableness of the term of the suspension. The chairperson of the committee shall ensure that a copy of the written decision is mailed to the student or the student's parent or guardian and provided to the administrator.
6. With respect to a short-term suspension, the committee's decision shall be final and cannot be appealed.
7. With respect to a long-term suspension, the student may appeal the committee's decision to the superintendent by submitting a written request for an appeal to the superintendent or the clerk of the board within five (5) days after receipt of the committee's decision. A formal letter explaining the district's appeal process will be submitted to the student or the student's parent or guardian in a timely manner.

**Effect of Suspension:** Except as otherwise provided, a student who has been suspended shall not be allowed on district property. A student who is suspended for less than five (5) days shall be allowed to make-up assignments and tests given during the suspension period and shall receive full credit for all work missed during the suspension. When a student is suspended from school for longer than five (5) days, the administration shall develop and provide to the student and/or the student's parent or guardian an education plan that includes assignments in core unit subjects that should be completed and returned to the school on a regular basis. Students will receive full credit for work completed in a timely fashion.

A student who is suspended for possession of a weapon or a firearm or possession of a controlled dangerous substance will be provided an education plan, shall be allowed to make-up any work missed during the period of suspension, and shall receive any credit during the suspension

**Extra-curricular Activities:** A student may not attend or participate in any school activities, including all extra-curricular functions, while suspended from school or while a student is assigned to In School Detention. A suspension is effective until the next school day following the ending date of the suspension (i.e. if suspended from school through Friday, suspension is effective until next school day, Monday).

### **SCHOOL CANCELLATION-**

**BULLYING-** It is District policy that bullying of students by other students, personnel, or the public will not be tolerated. Students are expected to be civil, polite, and fully engaged in the learning process. Students who act inappropriately are not fully engaged in the learning process. This policy will be in effect while the students are on school grounds, in school vehicles, at designated bus stops, at school sponsored activities, or at school sanctioned events, and while away from school grounds where the misconduct directly affects the order, management, welfare, and learning environment of the school district. Bullying of students by electronic communication is prohibited whether or not such communication originated at school or with school equipment, if the communication is specifically directed at students or school personnel and concerns harassment, intimidation or bullying at school. In administering discipline, consideration will be given to alternative methods of punishment to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure. After the investigation, some methods of discipline which may be considered, include, but are not limited to : Student/Parent conference, In-school suspension, detention, referral to counselor, behavioral contract, suspension.

**HB 1775-** It shall be the policy of the Oklahoma State Board of Education to prohibit discrimination on the basis of race or sex in the form of bias, stereotyping, scapegoating, classification, or the categorical assignment of traits, morals, values, or characteristics based solely on race or sex.
