

**Written Notice**  
**For My Dissatisfaction of the ACIP**

Dear Escambia County Schools

This is a written notice for my dissatisfaction of the ACIP (Alabama Continuous Improvement Plan)

Specifically: \_\_\_\_\_  
\_\_\_\_\_

The ACIP is an on-going, working document that is designed to guide the school improvement effort of the school. The plan is developed around a comprehensive needs assessment. The plan should be implemented, regularly monitored, and revised as necessary. The plan is based on students' needs to ensure that students are provided opportunities to meet the challenging State academic standards.

Schools are required to have an ACIP Committee. The team must include the following: teachers, administrators, parents and other appropriate staff members.

Escambia County Schools values excellence and integrity. Please outline your ACIP concerns below:
