WINTER WEATHER

The cold weather is here! We go outside in all weather so please make sure to send your child with warm clothes each day and remind them that it's not good for them to go outside without a jacket on. We want to keep them all healthy!

EMERGENCY CLOSURE PROCEDURES

If a closure occurs during school hours, we will follow the instructions provided on your child's emergency card. Please take a moment to verify that your contact information is up to date in your Powerschool account to ensure we can reach you promptly.

For weather-related closures, we will activate our automated alert system using your primary phone number and email address. We also encourage parents to monitor local radio and TV stations for additional information regarding school closures or delays.

THINGS TO KNOW

School Drop Off/Pickup: School drop off and pick up is at the front of the building. Please do not drop off/pick up students in the back of the school where the busses are.

After school plans: If your child's after school plan is different from what they usually do, you must notify the school.

Toys: Please make sure your child leaves all toys and trinkets at home!

Snacks: If your child wishes to bring a snack for their birthday celebration, it must be off the approved snack list.

Spelling: As the year progresses, our spelling words are getting more difficult, so please take time to practice and talk with your child about the "rules" the words follow.

STANDARDS

Reading/Writing

- Sort words into the correct syllable type when given a list of one-syllable and two-syllable words.
