SPECIAL ADDENDUM TO THE ACCEPTABLE USE POLICY FOR STUDENTS PARTICIPATING IN ONLINE COURSES

As a student enrolled in an online course, it is expected that you use appropriate judgment when using the camera and microphone functions on your Chromebook device. The camera and/or microphone will not be used to take inappropriate photos or videos, be used to embarrass anyone in any way, or be used in an irresponsible* or in an illegal manner. Any use of the camera in the restroom or the locker room, regardless of intent, is strictly prohibited. Students will not engage in personal attacks, harass another person, record anyone without their knowledge, or post private information about another person.

The failure of any user to follow these terms or those already listed in the Acceptable Use Policy will result in the loss of privileges, disciplinary action (up to and including the possibility of expulsion), and/or appropriate legal action.
