

# Birthday Book Club

We are pleased to offer you an opportunity that allows parents, grandparents, and friends to donate a book to the NES Library in honor of a child's birthday!

This is a wonderful opportunity to support literacy and learning and help students feel involved in their library.

## How It Works:

Fill out the application below. Return the form with the money to school as soon as possible, so we can get the books ordered and ready for your child. As soon as we get all the forms and money turned in, we will order the books from a library bound company. When the books arrive and are cataloged into the library, your child will be an official member of the BBC! (Please note, these books are library bound and made to last; therefore, they cost more than books you might find elsewhere.)

Deadline to Join is December 13, 2024

When you join, the student will:

- Celebrate with all the BBC members
- Be recognized as the donor of the book(s) with a bookplate placed inside the book
- Be the first person to check out the new book
- Be an official donor of the Newton Elementary School Library
