

Sacred Heart School Preschool-3rd Grade

Summer Camp 2026

Time to mark your calendars! Sacred Heart's Summer Camp is the perfect place for your child this summer. Each week features a new theme filled with engaging crafts, lessons, and activities designed to spark imagination and support learning. Families may choose to enroll for one week or multiple weeks.

Camp runs from 8:00 a.m. to 3:00 p.m. Preschool campers will attend in the Sacred Heart Preschool classrooms, while students in grades K-3 will be in McNellis Hall.

Campers should bring a water bottle and lunch daily and may enjoy free dress each day (following the school dress code). A mid-morning snack will be provided.

The camp fee is **\$350 per week per student** (short week is noted separately).

Sacred Heart Summer Camp 2026

Week 1: June 22nd -June 26th Medieval, Mythical and Magical Week

Come join us as we learn about all things medieval, mythical and magical! Our imaginations will run wild as we learn about , pirates, knights, princesses, fairies and more ! This is going to be a great start off to camp!

Week 2: June 29th -July 2nd (No camp Friday, July 3) Junior Chef Week

Calling all bakers, fry cooks, sous chefs, and top junior chefs! We invite all children to come and learn how to back and cook during Junior Chef week. We will be having blind taste test and will be teaching your children about different cultures and the way they cook.

Week 3: July 6th -July 10th Art in Harmony Week!

This week is all about learning about famous artists and musicians throughout history. Your child will learn about different styles of art and music. They will get the chance to create and explore all things related to music and art.

Week 4: July 13th - July 17th Buggin Out Week

Calling all future entomologists! Is your child fascinated by God's smallest creatures? This week your child will learn all about insects that crawl, hop, fly and more. Make sure they get those magnifying glasses ready!

Week 5: July 20th -July 24th S.T.E.M Week

Is your child into building and creating projects with the help of their friends?

Does your child love to create science experiments and learn all about engineering? This week is a fun week for your child to experience hands on learning through experiments, games, science, math, technology and activities.
