Dear Parents/Guardians,

We are finding that the students are using their cell phones at inappropriate times of the day. When a student is texting and scrolling during instructional time, learning cannot take place. **We would prefer that students keep their cell phones at home or turned off and in their backpacks/lockers. They may ask for permission in the main office to call home if they have an emergency.** However, we are asking you to please support the school and have a conversation with your children concerning the proper use of their cell phones.

Please do not call or message your child during school hours as this is also a distraction and against school rules. Please call the main office if you need to reach your child.

We appreciate your support in helping us minimize distractions and keep our digital campus secure.

Tracie Kennedy, SVRCS CEO
