Highlights from Letters to Power 88

Power 88 has turned my life around. Renewing my faith, I found out that I had to change my life, and I started with the music that I listen to. Hearing Power 88 for the first time was like a gift from God. When I landed on Power 88, it was commercials, but when the music came on it blew me away. Before I would have changed it, and now it is what I wake up to and what I go to bed to. "I can only imagine" where I would be if I hadn't had Power 88, there when I needed it.
