MATH - MCKINNEY

This week, we will continue learning how to add and subtract within 20 using different strategies. We will focus on using counting up, fact families, and hundred chart. We will also be working heavily on word problems and figuring out the key words to determine the operation (addition or subtraction). Please work on this at home as well because our first test will likely be Friday. (Possibility to change due to iReady testing... I'll keep you posted!) Look for a study guide to come home the night before the test! We will also have our 2nd Fact Fluency quiz on Friday.

ELA - MORENO

*PHONICS: Begin Unit 1 in Foundations. A parent letter will be in your blue folder. We will focus on the digraphs sh, ch, th, wh, and ck.

*READING: Work on asking and answering key details in a text and discuss main ideas with Edward the Emu and The Invisible Boy.

*WRITING: Write complete sentences with correct punctuation and capitalization..

IMPORTANT INFORMATION

You are invited to attend our Parent Information Night on Tuesday at 6:30. We request that only parents come so that we can get through the information quickly and effectively.

Please make sure to bring a water bottle and snack DAILY.

Don't forget to wear tennis shoes on our PE/Health days!

Please turn in your workbook fees and class shirt fees ASAP.
