[Sunday marks the International Day of Prayer for the Persecuted Church](#)

Hundreds of millions of Christians around the globe are abused for their faith — amounting to one in every seven believers on earth. And so their brothers and sisters in safer places are being urged to offer special prayers on November 5th. Many Christians in foreign countries are killed or beaten for their faith. In other places the persecution may take the form of being denied work, education or access to relief supplies in times of disaster.

[New Speaker Mike Johnson Attacked for Believing Basic Christian Doctrine](#)

On Wednesday, after three weeks of dysfunction following the ouster of former-Speaker Kevin McCarthy (R-Calif.), Rep. Mike Johnson of Louisiana was elected as the 56th Speaker of the House. Johnson's elevation to the office caps a frenetic period in which Republicans considered multiple candidates before coalescing around the four-term congressman. Although Johnson's unexpected rise to the speakership was welcomed by conservatives, the Left has predictably been apoplectic in denouncing Speaker Johnson's long-standing social conservative views.

['God of Heaven and Earth' Examines Scientific Evidence for Bethlehem Star: 'God's Word Is True'](#)

The movie, God of Heaven and Earth, will be in theaters Nov. 5-6 and offers a compelling case for how the Wise Men followed astronomical events in the sky to travel hundreds of miles from the East to worship the Christchild. Incredibly -- according to the theory -- those events culminated in Jupiter "stopping" over Bethlehem.

[For King & Country - Christian Music Offers a 'Peek into what Heaven Must Be Like'](#)

On the red carpet ahead of the 2023 Dove Awards, Grammy Award-winning duo "For King & Country" shared that Christian music plays a key role in spiritual formation because it provides a "peek into what Heaven must be like."

Highlights from Letters to Power 88

I have been so blessed by your station, especially during these last two years; I lost my husband of 31 years in a car accident. The pain has been almost unbearable, but it seems every time I was feeling complete despair, you would play a song that would lift me up so much all I could do is worship the Lord, and know that no matter what he is there for me. Please keep up the good work, and may God richly bless you.

This November on *Insight for Living*, invite your listeners to join Pastor Chuck Swindoll as he continues the series, ***Hand Me Another Brick***.

Chuck draws valuable lessons on leadership from the book of Nehemiah. Policies and problems, finances and fears, opposition and order—you name it, Chuck addresses it. Just as Nehemiah walked with God, Chuck explains how we can walk with God through any and all trials. So, invite your listeners to find fresh inspiration in this study as they elevate their leadership style to match God's model!
