

ODEM INTERMEDIATE SCHOOL NEWSLETTER

Principal's Note

Happy New Year! We hope that everyone had a restful holiday break and is ready to work hard this Spring Semester as we eagerly tackle state assessments and finish the year out strong. In addition to intervention your child receives throughout the school day during his/her grade level WIN time, we will begin after school tutorials for all grade levels. Please be on the look out for a tutorial letter from your child's teacher requesting that he/she may attend. We will have in person parent teacher conferences scheduled for the end January. Notices with times and dates will be sent out as well. Teachers are eager to share Iready and Benchmark data with you. This will be a great time to see how much academic progress your child made during the first semester. As always, partnering together contributes greatly to your child's academic success. Thank you for your continued partnership!

-Dr. Lidamar Gracia Yruegas

Attendance at school is very important. When students arrive late or are picked up before dismissal, teaching and learning are disrupted.

"You have the POWER to CHANGE the world use it to make a DIFFERENCE!"

Instruction takes place until 3:45 pm. Picking up students early will result in missed class content.
