**SEE PG 1 FOR ANY INSTRUCTIONS OR INFORMATION CONCERNING THESE CHANGES**

### INSTRUCTIONS AND INFORMATION CONCERNING THESE CHANGES

- 1) First of all, I would like to say thank you to everyone involved with these changes. It has been a very busy beginning of school this year. We had several buses overloaded right off the bat.
- 2) There are more students riding the bus this year than ever before. We are still adding new ones everyday also.
- 3) There are no longer split buses in Emerald Mountain. ALL buses will be K-8.
- 4) **There will be more bus traffic with the added route coming in and out of Emerald Mountain and Jackson Rd so PLEASE BE AWARE and watch for children and buses.**
- 5) The listing attached is each bus broken down into the Streets that they cover, bus drivers name, phone number and their approximate times.
- 6) If you have any questions about times or any other concerns please contact the drivers at the numbers provided.
- 7) Please have your student out waiting on the bus a few minutes before the shown times just in case they end up running a few minutes ahead due to the attendance of students. Bus times should be leveled out in the first few days.
- 8) Please give the drivers a few days to acclimate themselves to the new routes and times. This is a big change for everyone. Please be patient with them.
- 9) **You can look at the list below and find the street on which you live and see all the information that you need to prepare for the change.**

Again, we thank you for your patience and cooperation as we move ahead with the adding of new bus routes and moving students around due to the overcrowding. Remember you can find your drivers name and phone number below if needed.

Also, thank you to the staff at RES and RMS for your patience and help with these moves. Thank you to ALL DRIVERS involved with this move you have been AWESOME!
