#### Community

Located in the geographic center of North Carolina, one of Randolph County's newest high schools, Providence Grove serves the communities of Grays Chapel, Liberty, and Level Cross. Providence Grove is a rural, public, consolidated high school serving grades nine through twelve. It opened in August 2008 to relieve overcrowding at Eastern Randolph High School and Randleman High School. The school is located sixteen miles southeast of Greensboro.

#### School

Providence Grove High School is a comprehensive public school with an enrollment of approximately 665 students in grades 9-12. Providence Grove High is accredited by AdvancED. The school is on a block schedule with students taking four courses in the fall and four different courses in the spring. Students are in class for 90 minutes per block.

#### Class Rank

Class rank is cumulative and determined by the grade received at the end of each semester using a traditional 4.0 system.
