READ THESE NOTES.  1. If the district is fractional, write the names of the children in each township separately under the name of the lownship, beginning with that township in which the schoolhouse or site is situated. A separate statement must be made to the clerks of the several townships in which the district is in part situated, giving the number of children five years of age and under twenty years residing in that part of the district lying within their respective townships.  2. If there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon ordinary foolscap paper, properly ruled, and attach the same to the same of the children in the district, write the remainder upon ordinary foolscap paper, properly ruled, and attach the same of the same of the children in the district, write the remainder upon ordinary foolscap paper, properly ruled, and attach the same of the same of the children in the district, write the remainder upon ordinary foolscap paper, properly ruled, and attach the same of the same of the children must be given as they are on June 6, 1919.  3. The ages of the children must be given as they are on June 6, 1919.
