

7th Grade Newsletter
Week of October 27th, 2025

Mathematics

Mrs. Jarrett

mjarrett@rappahannockschools.us

Blocks 1 & 3 - We are taking our test on two-step linear equations at the beginning of the week. We will then start our next unit on writing and solving two-step linear inequalities, including word problems.

Block 2 - We are starting our next unit. The students will solve problems, including word problems, involving proportional reasoning.

Please do not hesitate to email me with any questions, comments or concerns.

Science

Mrs. Cubbage

bcubbage@rappahannockschools.us

Students will be diving into **Mitosis and Cellular Organization!** We'll explore how cells divide and work together to form the building blocks of all living things through interactive lessons and activities.

Please reach out to me via email if you have any questions or concerns!

Language Arts

Ms. McCabe

emccabe@rappahannockschools.us

We are wrapping up Max the Mighty and will continue to analyze literary elements within the text. Students will complete a book project this quarter (either on our class novel or a book of their choice).

Please email me with questions or concerns.

Reminder

**Thanksgiving Break
November 24-28th**

**Students need a book for
independent reading each day.**
