

Student Drop off and Pickup

The front parking lot along Sugnet is reserved for school buses only between 7:30-8:00am and 2:40-3:10pm. Please do not use this lot for drop off or pickup during these times.

The best places to drop your student off during these times are either in the back of the building or in the parking area between NMS and Plymouth. Rules for dropping off in the back are:

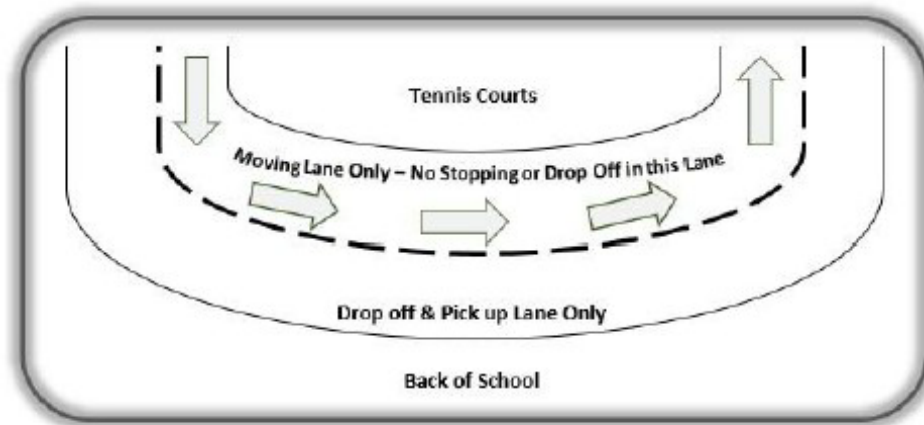

- The left lane is a moving lane. Do not stop and drop off your student while in the left lane.

The right lane is the drop-off lane. Pull over and stop and let your student out. Please DO NOT park and exit your vehicle in this lane.

See below picture.

Drop-Off and Pick-Up:

Vehicles should pull forward to the furthest point possible along the curb in the drop off & pick-up lane before letting a child out of the vehicle. **Never let a child out of the vehicle while in the moving lane.** This allows more vehicles to enter the lot and minimizes St. Andrews Drive congestion and traffic stoppage. Whenever possible, the lot between Plymouth Elementary and Northeast should be used for dropping off and picking up.

Parking Lot between Northeast and Plymouth
