

TCAP Family Portal: Know More, Learn More TN Campaign

The TCAP Family Portal has been redesigned to improve user friendliness, offer clarity of the printed state score report, and provide more actionable resources for families and includes several new features - personalized student video reports in five languages, sample questions, questions for parents to engage with their student's teacher about their scores, and historical data to track student achievement over time.

To access the TCAP Family Portal, follow the 3 easy steps below.

1. Find your student's "unique access code" or "USID" on the bottom right-corner of the printed state score report.
2. Visit the Family Portal at KnowMoreLearnMoreTN.tnedu.gov.
3. Log in to find information on your student's performance, a personalized video in your home language, questions to ask their teacher, and where they may need additional support.
