Working Together to Prepare Students for Life!

July 15, 2026: Elementary Intervention Specialist Posting for Professional Position: \$3,750 sign-on bonus

Onaway Elementary School is seeking a dedicated, student-centered **Elementary Intervention Specialist** to support our Multi-Tiered System of Supports (MTSS) and help every student reach their full potential. We are looking for an educator who is passionate about using data-driven instruction, building strong relationships, and collaborating with teachers and families to ensure student success. This position plays a vital role in providing targeted academic interventions for students requiring Tier II and Tier III support while working closely with classroom teachers to accelerate student learning.

Primary Responsibilities

- Provide high-quality, research-based instruction to individual students and small groups.
- Deliver Tier II and Tier III interventions based on student assessment data and identified learning needs.
- Utilize assessment and progress monitoring data to plan instruction and measure student growth.
- Collaborate with classroom teachers, administrators, and families to develop and implement effective intervention plans.
- Maintain accurate documentation of student performance, intervention services, and progress monitoring.
- Participate in MTSS meetings and contribute to data-based decision-making regarding student support.
- Assist in identifying students for intervention services through universal screening and diagnostic assessments.
- Administer diagnostic assessments as needed to guide instructional planning.
- Support the continued development and implementation of intervention programs and best practices.
- Foster a positive, engaging, and supportive learning environment for all students.
- Participate in professional learning opportunities focused on student achievement and instructional improvement.
- Perform other duties as assigned by the Principal or their designee.

Preferred Qualifications:

- Bachelor's Degree and Valid Michigan Teaching Certificate.
- LETRS Training or willingness to complete training.
- Experience working within a Multi-Tiered System of Supports (MTSS).
- Experience delivering Tier II and Tier III academic interventions.
- Experience using student assessment data to drive instructional decisions.
- Experience collaborating within Professional Learning Communities (PLCs).
- Experience supporting both academic and behavioral interventions.
- Strong communication, organization, and collaboration skills.
- Commitment to continuous professional learning and growth.
- Ability to build positive relationships with students, staff, and families.
- Experience working in a highly collaborative school environment.

Please email a statement of interest along with your credentials to Robin Benson, rbenson@oacsd.com.
