

6th Grade Newsletter

Week of August 31st

Math Mrs. Riggs ariggs@rappahannockschools.us This week in math we are working continuing to work on Exponents, Perfect Squares, & Powers of 10. We have started discussing Integers and Absolute Values. We are planning to have our first test of the year on these topics on Friday, August 28th. Have a great week!	English Mrs. Clark sclark@rappahannockschools.us This week in English, we will be learning how to write our own summaries, and reviewing our knowledge on plot, character, and setting. We will also look into characterization using the Matt Kaizer character from the short story, <i>Matt Kaizer</i>.
History Mr. Hummill mhummill@rappahannockschools.us This week we are finishing our Westward Expansion unit by studying the conflicts the U.S. encountered during expansion. A project will follow these lessons.	Science Mrs. McCabe emccabe@rappahannockschools.us Students are continuing to study scientific investigations by learning how to ask questions, make observations, collect data, and use evidence to draw conclusions. We will use these skills soon and continue throughout the school year. Questions or concerns? Please feel free to reach out with an email!

Important Notes and Reminders

No school for staff or students September 4th and 7th.
