

On Tuesday, February 20, 2024, at 5:00 p.m. during the February Board Meeting we will be honoring our local board members for their commitment to Marion County and its children.

The theme "School Boards: Unlocking Opportunities" reminds us to celebrate the unique role school boards play in building a future for their students, championing and advocating for quality education, and governing their local public schools. As the elected representatives of the people in their local communities, they represent their local communities' voice and vision for the future of their public schools.

"It takes strong schools to build a strong community, and these men and women devote countless hours to making sure our schools are helping every child learn at a higher level," Dr. Mark Griffith said.

Our local school board impacts every student every day in Marion County by influencing the high quality of education that our children and youth receive. The Marion County School Board shows its commitment to educational excellence and equity - and for that we are very grateful for their attitude of service. There is no greater honor that can be bestowed upon a citizen than membership on a local board of education.

We want to thank all of our school board members for envisioning the future.

District 1 - Donna Blansett
District 2 - Nathan Billingsley
District 3 - Ryan Phillips
District 4 - Brian (Bo) Nunley
District 5 - Linda Hooper
