FAMILY RECIPES

As part of our Parent Activity Fund this year parents voted to have a cultural cooking event which we will plan for June and as a part of that we would like to ask that all of our family submit your favorite family recipes to share with everyone. They can be hand written, typed, old recipes or new recipes. We are going to compile all the recipes and put a recipe book together for you all to keep and share for years to come.

AGENCY WEBSITE

Guess what our agency has a website and last month each site supervisor was trained to be able to update our own specific centers tab. The link is to the site is www.headstart4u.org Be the first to remind text me 2 details that you see on our page and win a prize.
