Student Attendance

I encourage you to have your child(ren) at school and on time every day. Our school receives a score based on our daily attendance from the State Department of Education. In addition, absences, tardies, and early dismissals causes students to miss instruction and intervention. If your child is not sick please send him/her to school on time, and let your child(ren) stay the entire school day.

Beginning this week, students who come to school and arrive on time daily, will be allowed to be out of uniform on designated days. A letter will be sent home with the students notifying parents of their out-of-uniform day.

Let's make it a goal to have students at school on time every day for the rest of the school year.

Quarter 2 Honors Day

We will celebrate our Quarter 2 Honor Roll students on Wednesday, Jan. 24. An invitation will be sent home with students inviting parents, whose children will be recognized during the assembly, to attend.
