FROM THE STAFF

The Southeast Alabama Regional Inservice Center is pleased to announce its Professional Development schedule for the summer of 2021.

*YOU MUST REGISTER VIA PowerSchool. Registrations cannot be taken over the phone. When you register via PowerSchool, make sure that your email address AND phone number are current and that you check your email often over the summer. Your email address and summer telephone number are essential so that we can notify you in the event of a cancellation. All confirmations and workshop cancellations will be sent to the email address listed on PowerSchool. (https://alsde.truenorthlogic.com/ia/empari/login/index) Please register ASAP. Most workshops are limited. Therefore, we register participants on a "first-come, first-served" basis.

As a part of the registration process, once you have registered in PowerSchool you must also register to gain admittance to the online classroom for your course. To register click the link that follows the message "register in advance for this meeting." After registering, you will receive a confirmation email containing information about joining the meeting.

*If you are a retired teacher or for some reason do not have an account in PowerSchool, contact PowerSchool at 1-866-434-6276 to ask about setting up an account without an LEA (WOLEA).

The seating capacity of presentation rooms and handouts will be based on the number of participants who register. Should there not be a sufficient number of registrations 72 hours prior to a workshop, it will be canceled and registrants will be notified. Only pre-registered participants will be notified of workshop changes or cancellations! If you do not pre-register for a workshop and decide to attend anyway, please call our office the day before the workshop to find out if the workshop is still open and has not been canceled.

The Southeast Alabama Regional Inservice Center Governing Board's continuous commitment to support our schools' requests for an individual teacher, school, and district initiatives helps build a community where educators can continually grow by striving to improve student achievement and behavior.
