

CONNECTING WITH THE SCHOOL COUNSELOR

Look for our Virtual Veterans Day video on the school's website on November 10th.

THANK YOU VETERANS

Military Family Appreciation Month (November)

This is a time when America honors and recognizes those unique sacrifices and challenges family members make in support of their loved ones in uniform.

We are Learning!

Good Citizenship - Treat others the way you want to be treated. Doing your best to make your school, community, and country a better place. Being a responsible and respectful person who obeys laws and rules.

I-Messages - Positive ways to communicate how you are feeling and what you would like to happen. **Example-** I feel worried when you talk when the teacher is talking. Could you please wait until later?

Setting and Achieving Goals

Decisions and Consequences
