

# Coffee County Middle School

ATTENTION: 7<sup>th</sup> Grade Math Students

## Opportunity for High School Credit Algebra and Physical Science in 8<sup>th</sup> Grade

CCMS offers an opportunity for students to participate in an accelerated honors track in 8<sup>th</sup> grade. Students in this program will take two high school credit courses next year in 8<sup>th</sup> grade – Algebra I and Physical Science.

Qualifying students will take a placement test in the Spring of their 7<sup>th</sup> grade year.

Students qualify to take the placement test based on their 7<sup>th</sup> grade math grades.

ONLY students earning a 90% or higher Semester 1 average and also a 90% or higher for the 3<sup>rd</sup> quarter in their 7<sup>th</sup> grade math class are invited to take the placement test.

If students meet the benchmark on the placement test, parents will be informed and given the opportunity to accept or decline placement into Algebra I and Physical Science for the 8<sup>th</sup> grade year.

If you have any questions, please contact Mrs. Locke, Assistant Principal.
