['It Has to Be God's Plan': Darline Graham to Run for Senate to Carry on Lindsey Graham's Legacy](#)

Sen. Lindsey Graham's sister, Darline, has announced she'll run for his U.S. Senate seat after his sudden passing on July 11. Darline Graham Nordone says she has an "inner peace" and a calling to continue her brother's work, which included strong conservative stances on issues like Israel and the pro-life cause.

[Religious Groups Seek Exemption from NY Assisted Suicide Law that Could Mean Jail Time for Nuns](#)

Religious groups that provide end-of-life care are suing the state of New York. They say the state's new assisted suicide law violates their freedoms of religion and speech. Ten plaintiffs, including the Carmelite Sisters for the Aged and Infirm, The Little Sisters of the Poor, and the Dominican Sisters of Hawthorne, are trying to stop the law before it takes effect on August 5th.

They say “No child has two dads. No child has two moms.” They are the work of an organization called Them Before Us and are designed to promote Biblical marriage and discourage adoption by gay couples. The group says “In a culture that puts adult desire above child rights, we want to advocate for something better. When culture reflects the truth that moms and dads aren’t optional or interchangeable, children will be protected and thrive.”

Highlights from Letters to Power 88

I just want to let you know how much your station ministers to me on a daily basis. I moved to Daphne and started going back to church. I found Power 88 through members of my church and my radio hasn't changed channels since. It is a big help to me to maintain my focus on my walk with God to have inspiring music to listen to on a regular basis

[We are debtors, to proclaim the Gospel by the electronic media, as trustees of our stations. God has given us influence beyond anything our natural abilities or personal goals would suggest.](#)
