Ke'yah Advanced Rural Manufacturing Alliance (KARMA) proudly announces:

Image Recognition for Indigenous Sovereignty (IRIS) Workshop

When:

June 7th & 8th
9 AM - 4 PM MDT

Where:

Lukachukai Community School

This workshop aims to develop a culturally adapted, two day curriculum open to youth learners (9th-11th graders), with an emphasis on hands-on image capture, coding, and training AI!

15 participants will learn the essential AI and machine learning skills and create AI-powered tools for learning language through image recognition training models.

All meals will be provide and equipment.

Scan to apply!
