

## Eggert-Beery Scholarship

Maragaret Winhofer began this scholarship in memory of her son, Jeff Eggert. Jeff had a love for mechanics, cars and anything related to working in the shop. In 1983, Harold "Peck" Beery passed and his wife Frances, wanted to create a scholarship in his name. Margaret and Frances decided to create one scholarship dedicated to both Harold "Peck" and Jeff to encourage students into the fields of agriculture and the vocational arts. Harold and Frances moved to the Richey area in 1948, where they started their family ranch, which is still run by their grandchildren and great-grandchildren. Both Margaret and Frances have passed, but their families want to continue this scholarship, not only in memory of Jeff and Harold "Peck", but also in memory of Margaret and Frances, and their continued support for education at Richey Schools.
