

LEONINE 1975

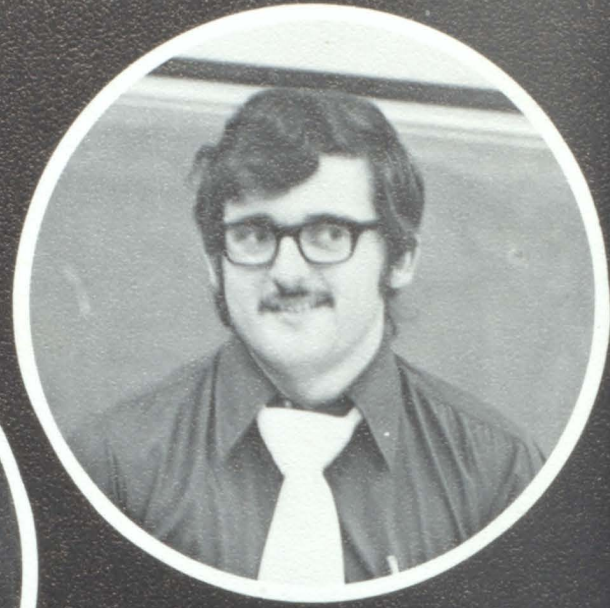

Central High School

Carrollton, Georgia

The joys of having a friend  
have never yet surpassed  
the joys of being a friend.

1974

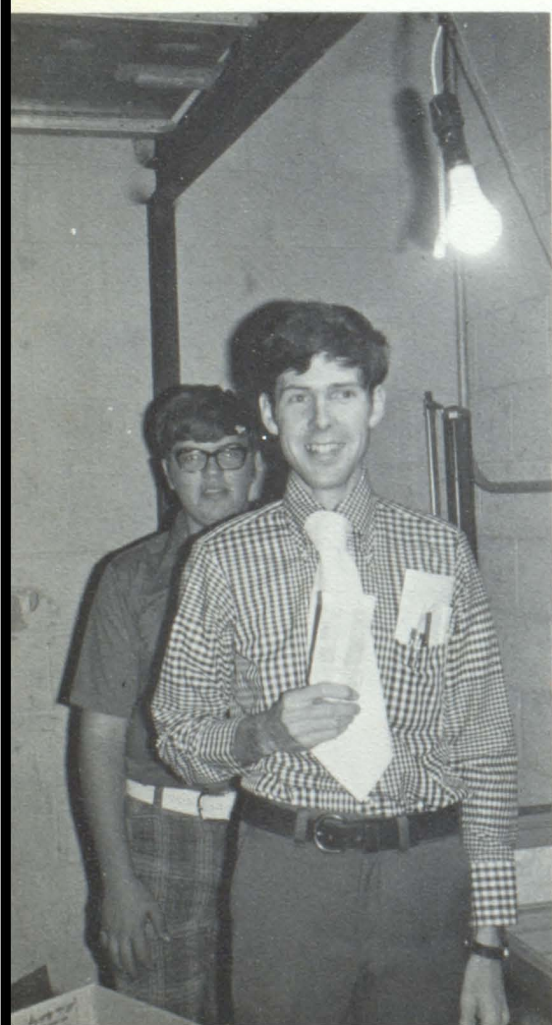

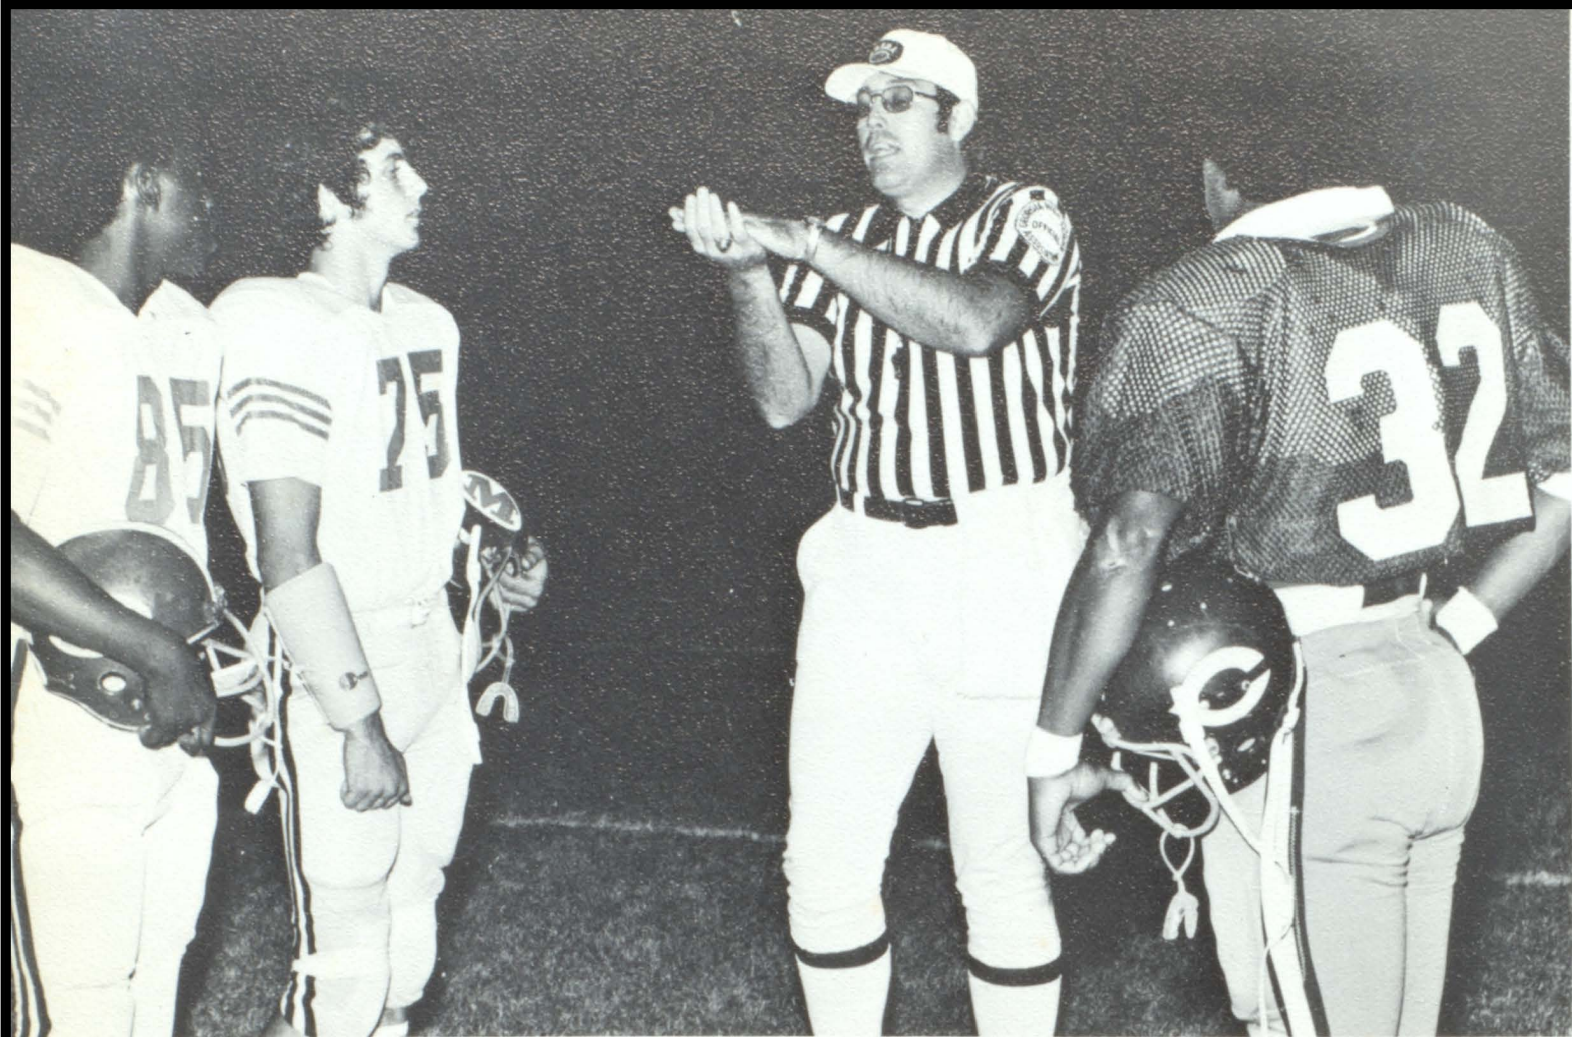

1975

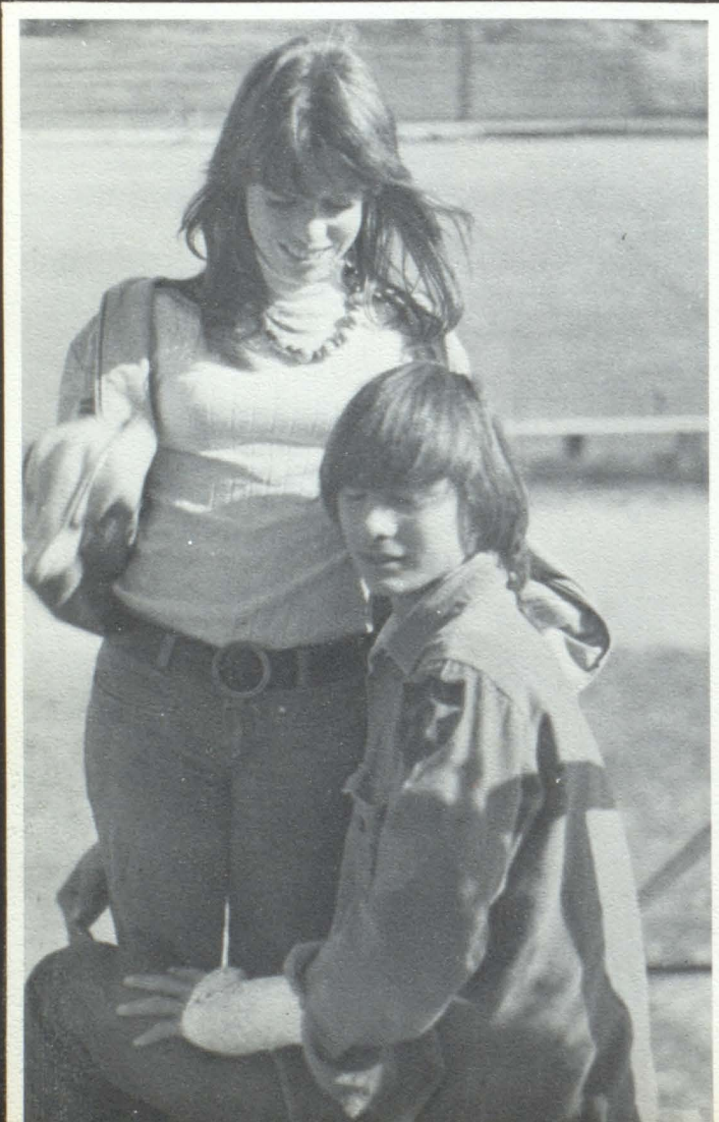

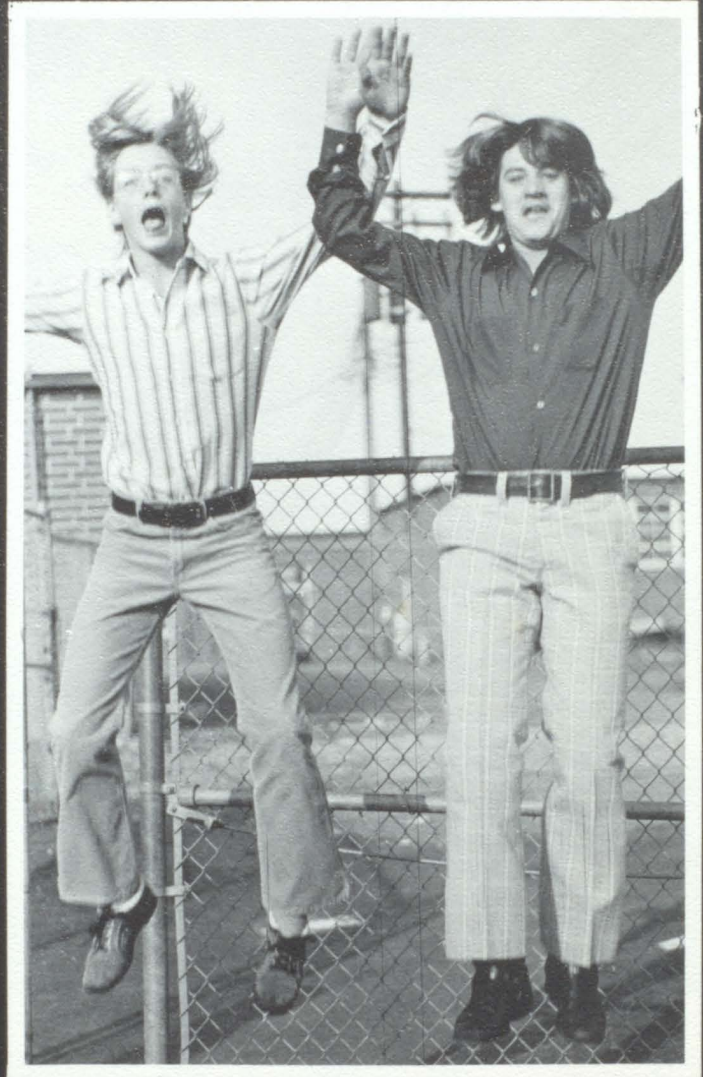

All that I am,  
all that I do,  
all that I have,  
brings me joy...  
because  
you are my friend.

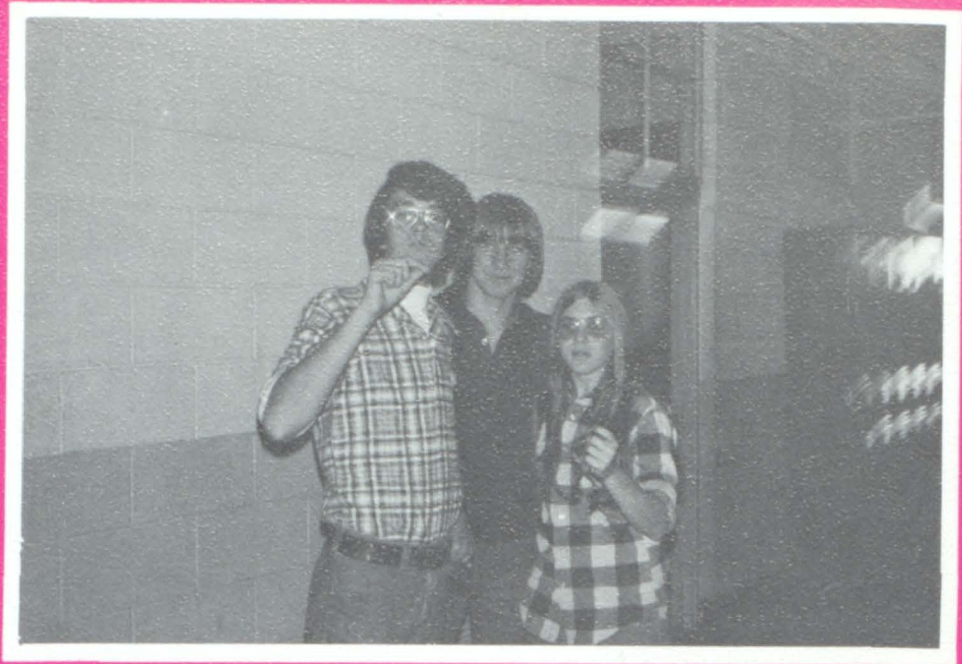

Our friends,  
With all their enthusiasm,  
No matter what they do...

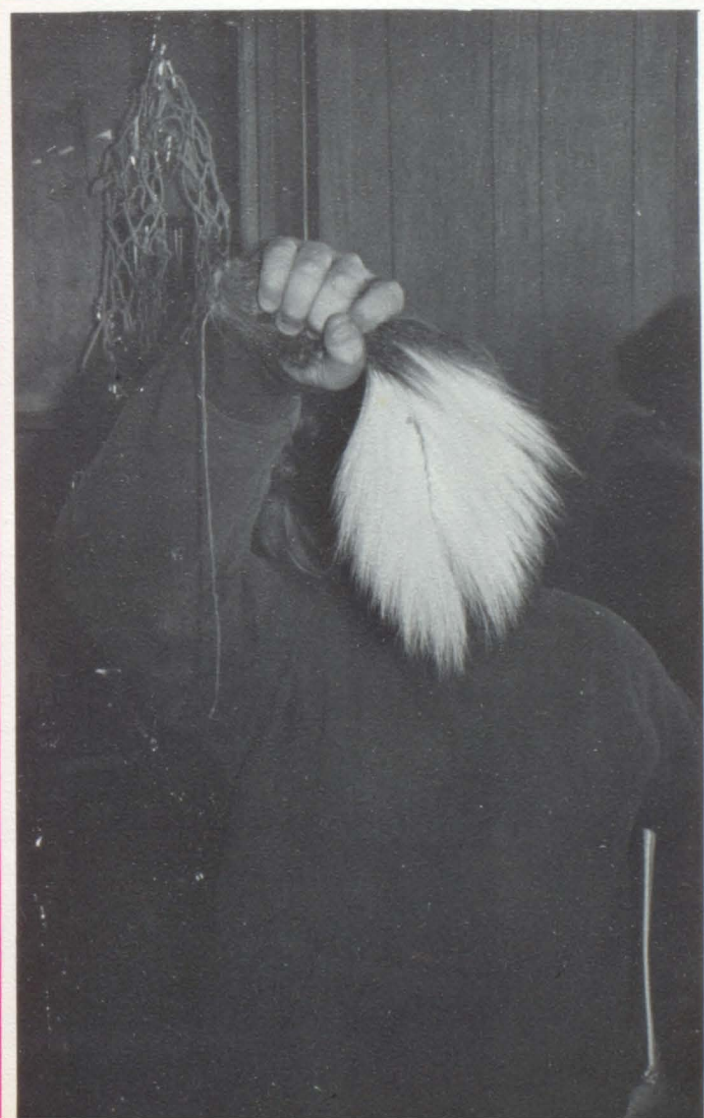

... No matter who they are,  
or what they look like,  
they are still our friends.

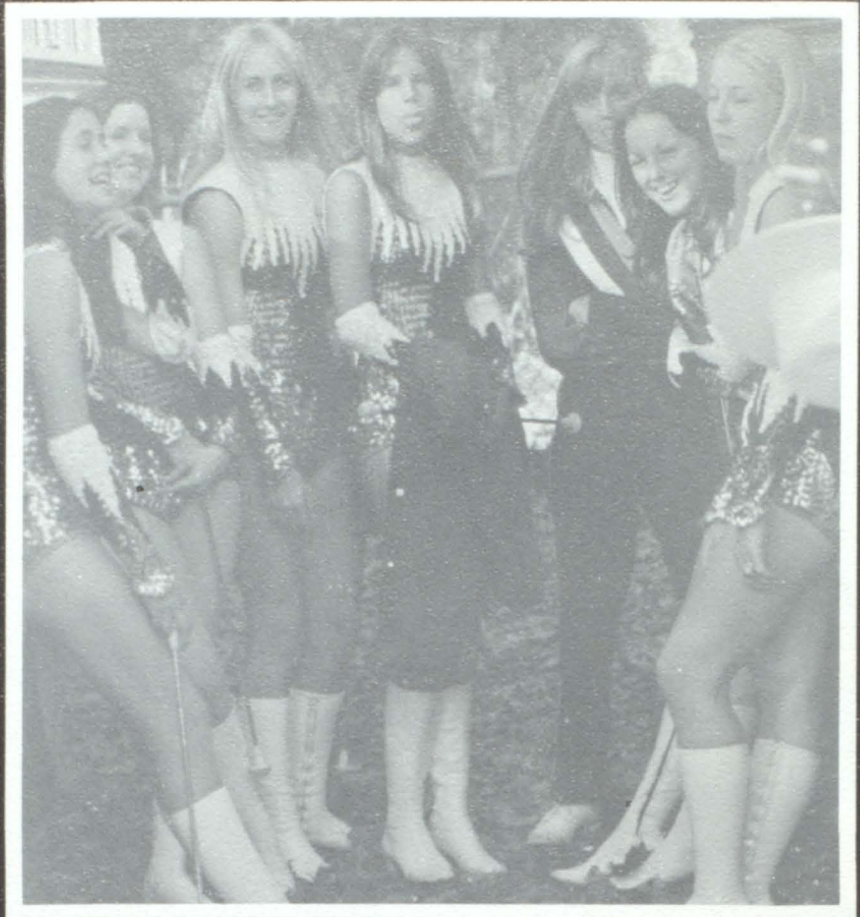

We make our  
friends  
through the things  
we believe in  
most;  
Our faith,  
Our hobbies,  
and the work  
that goes into  
making them  
worthwhile.

As individuals,  
We contribute through  
our leadership,  
our participation,  
our spirit,  
our learning...

... and along  
with our friends,  
our dedication.

In the years of  
school-life  
at Central,  
We have done  
many things  
together.

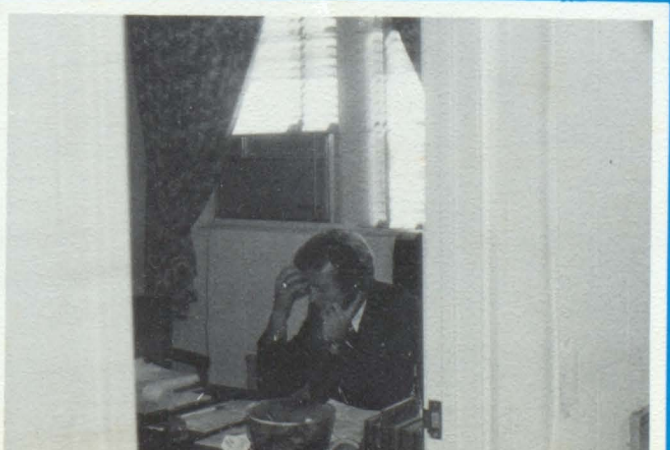

We have  
studied,  
passed,  
failed,  
marched,  
played football,  
laughed,  
cried,  
ran sprints,  
cheered,  
competed against  
one another,

won,  
lost,  
and sung

The Alma mater.

But most important of all,  
We have become friends,  
And our friendships will  
last till the end of time.

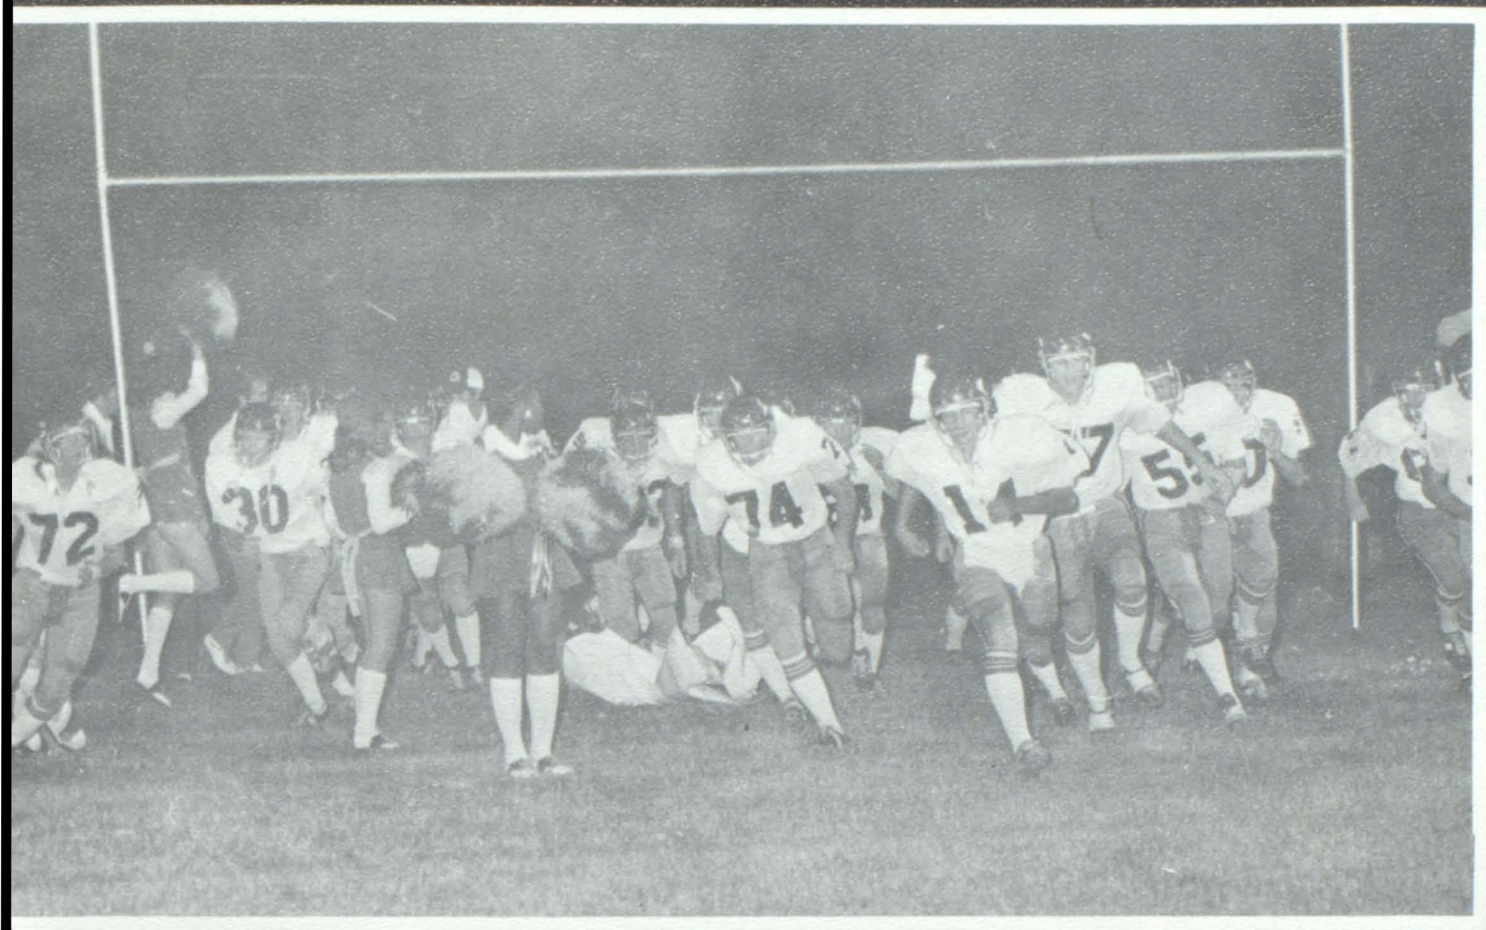

*We're crazy,*

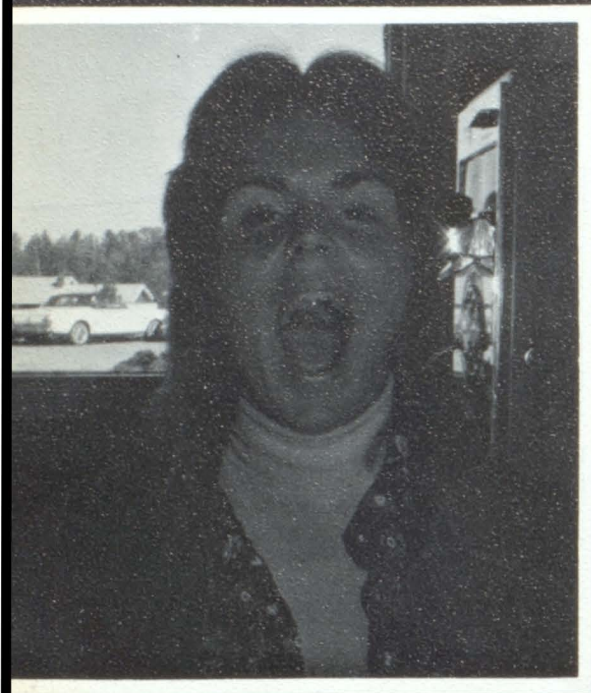

*we're happy,*

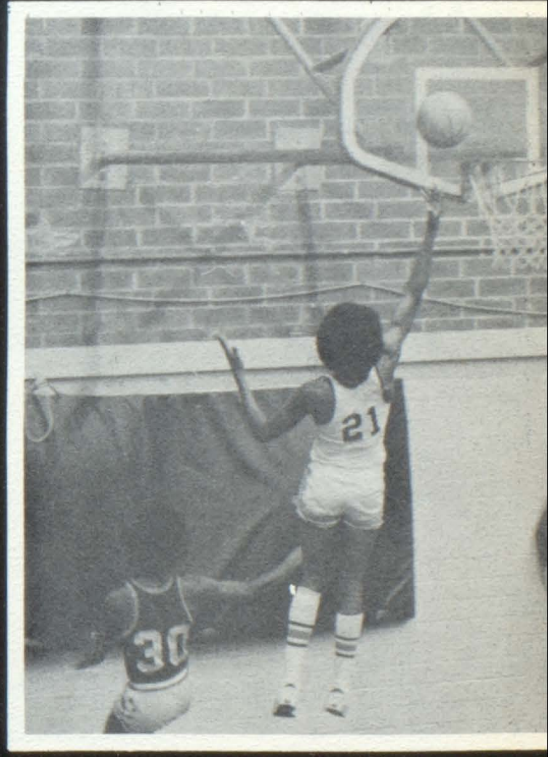

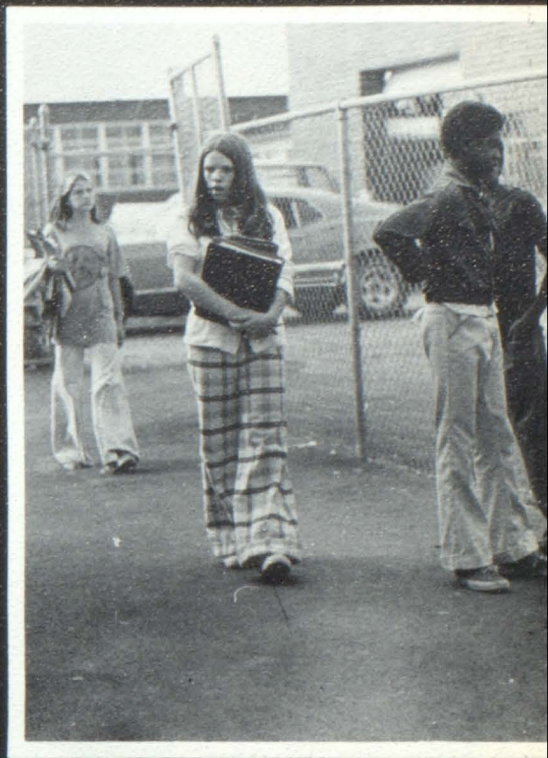

we work,

we play,

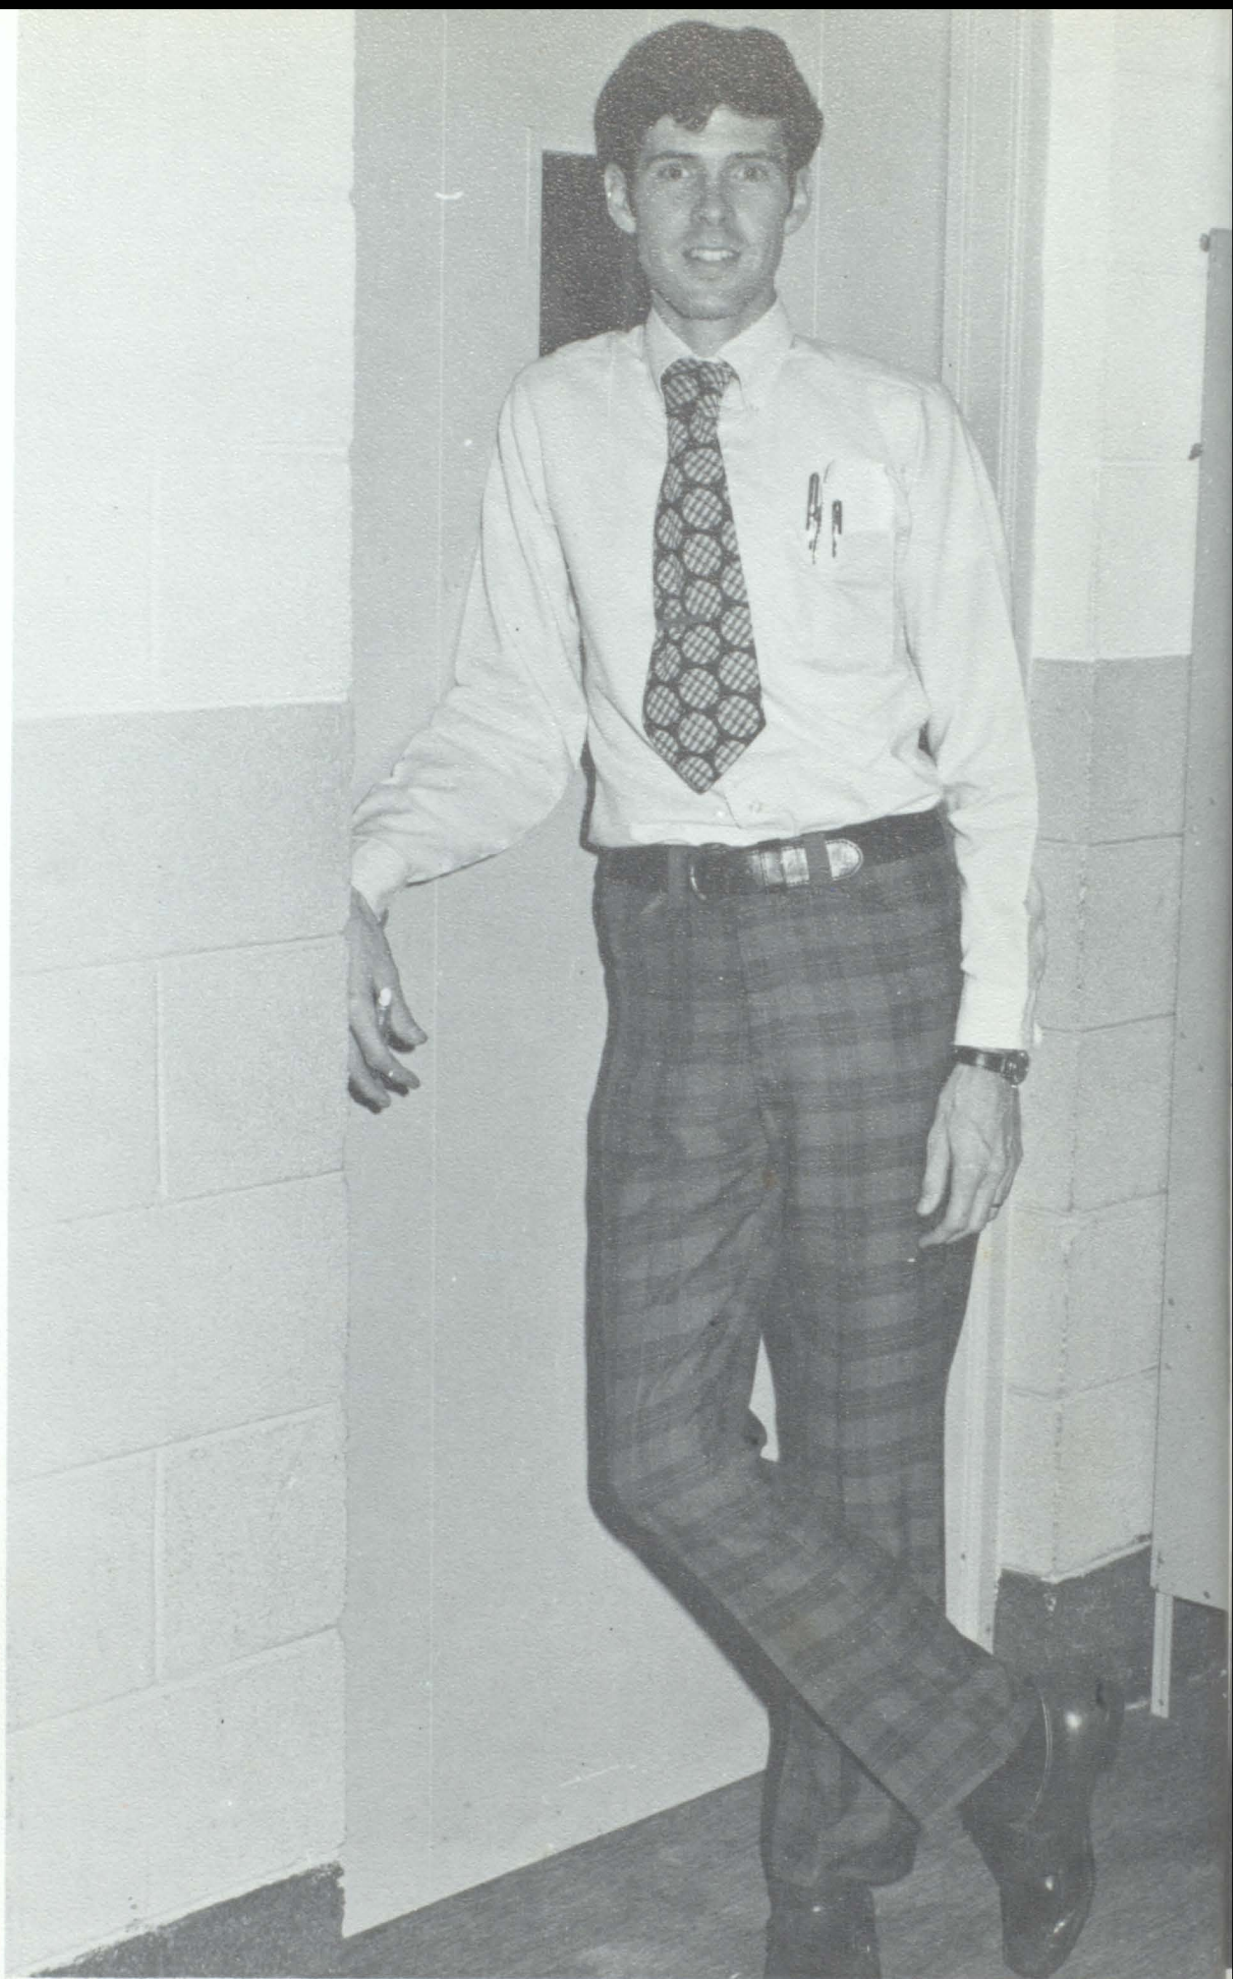

we are friends.

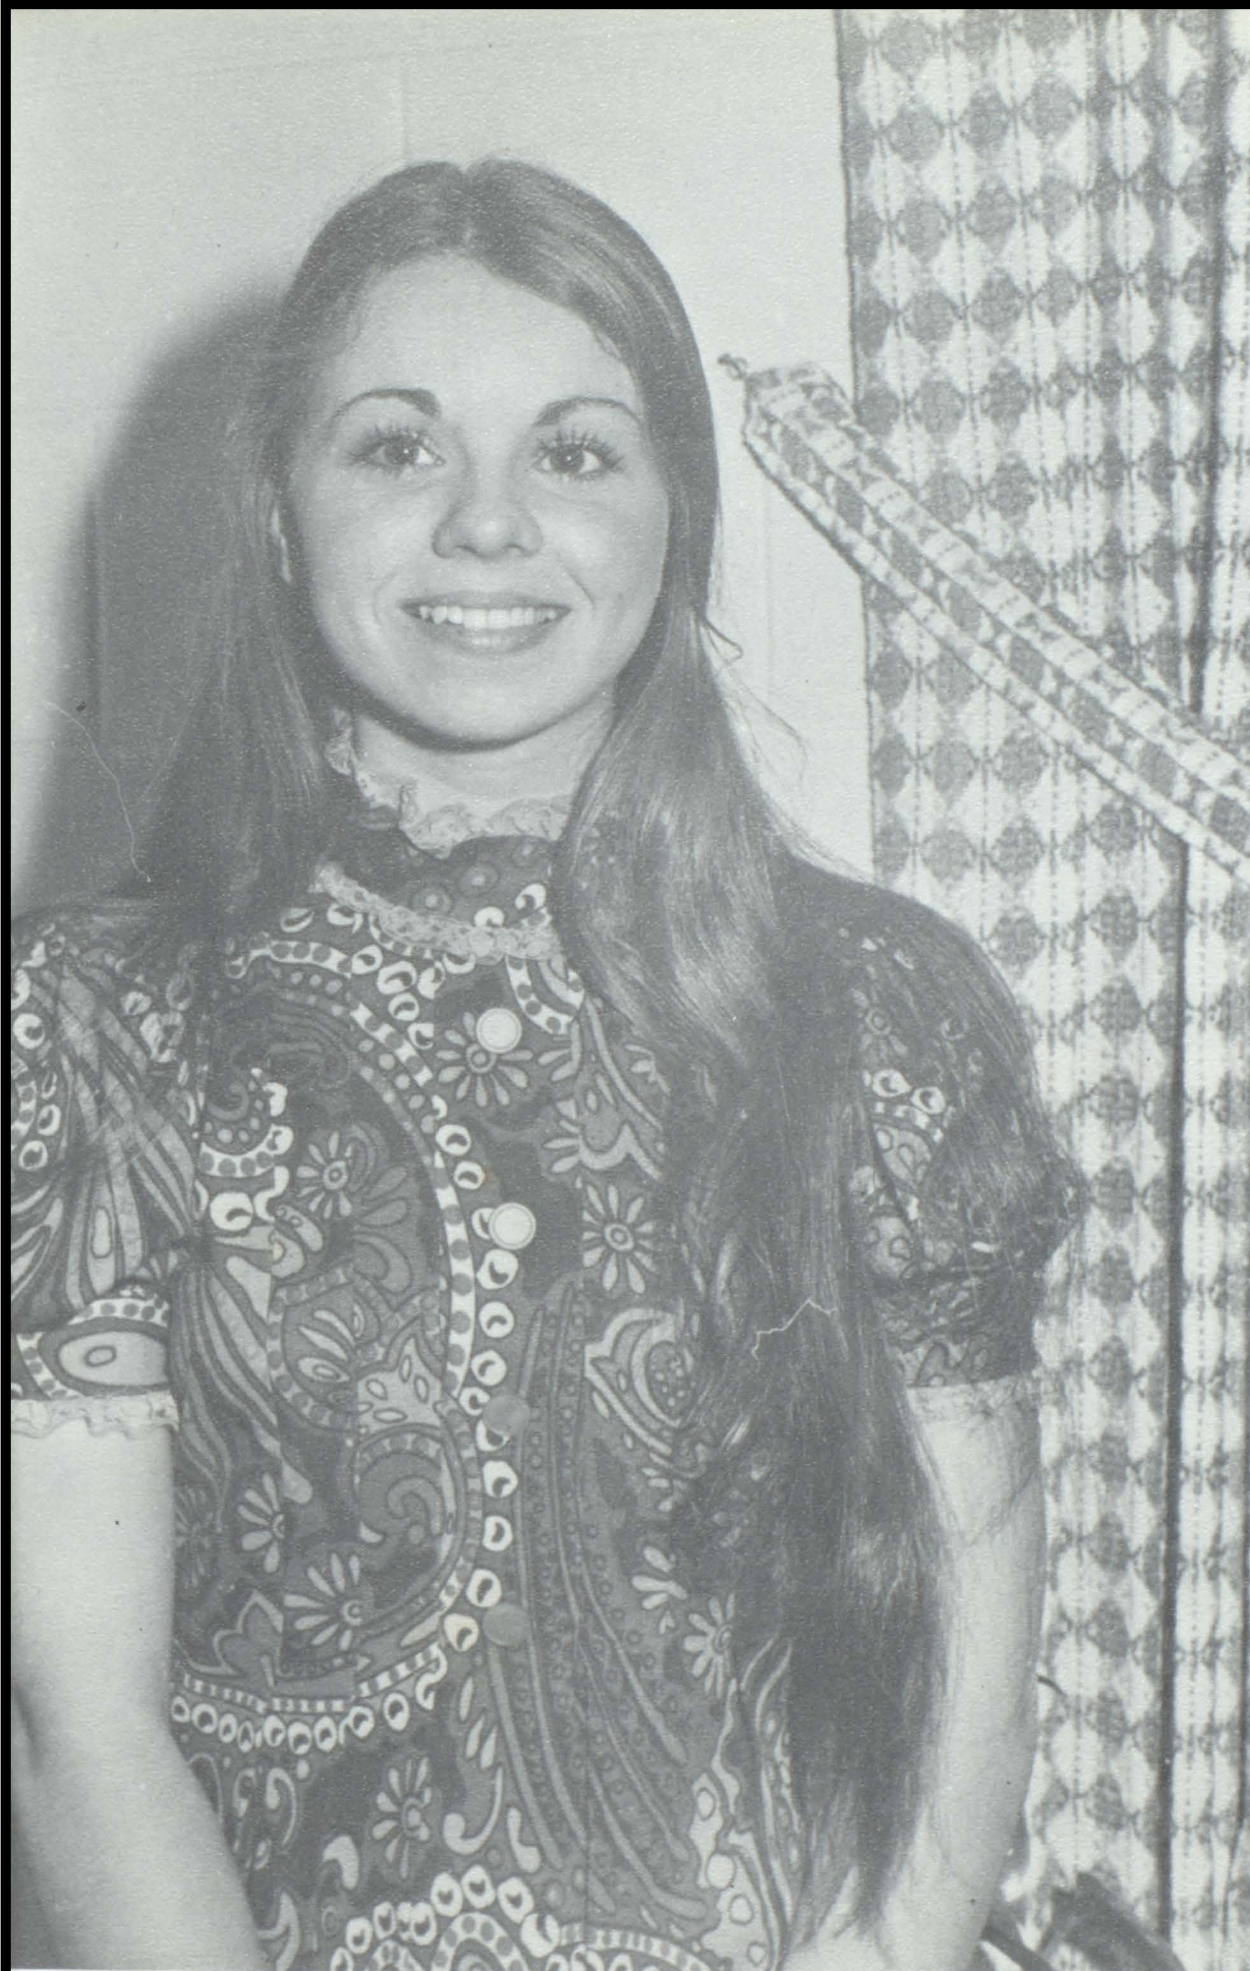

For his hard work and devotion to the students of Central High School, This Year's 1975 LEONINE is dedicated to .....

A principal is many things;  
To some he is a disciplinarian.  
To others he is a leader.  
To many he is an advisor.  
But to all he is a friend.
