

Hello! My name is

# John Schieber

High School Principal

(816) 583-2136 jschieber@hamilton.k12.mo.us

## About Me

I was born and raised a Hamilton Hornet. I graduated from Penney High in 2009. While in school I was a member of our high school band, FFA chapter, and student council. I also played football, basketball, and golf while in school. In 2014, I returned to Hamilton and became a high school math teacher. I also coached basketball for ten years, football for nine, and track and field for six. I have loved the community of Hamilton for everything they did for me as a student, and enjoyed the opportunity to come back and join that community and making a difference in these young hornets' lives. In May of 2024, I accepted the job of high school principal and have served in that role ever since!

## Family

### MY PARTNER

I met my partner Tim in 2022 through a dating app. We have been together ever since. We recently moved in together and have enjoyed not having to make a four hour drive to see each other every weekend. He works as an attorney and is also an avid K-State Wildcat fan!

### FUR BABIES

Tim and I both have a love of animals. We have a seven year old lab named Frank. He loves walks and is always full of energy! We also have a "fluffy orange kitty" named Kevin. He loves napping at his window and doesn't really care for Frank.

## Education

### PENNEY HIGH SCHOOL

High School Diploma

### KANSAS STATE UNIVERSITY

Bachelors in Math Education

### WILLIAM WOODS UNIVERSITY

Masters in Secondary Administration

## Fun Facts

- I was a coach on the 2016 MSHSAA State Champion Football Team.
