To receive a parking pass you will need to bring a copy of your **driver's license** and your **insurance card**. A permit will not be issued until this form is completed, the fee is paid, and a copy of your insurance card and license is submitted. The permit should hang on your rear view mirror, facing out. Only one permit will be issued for **\$25.00 (Cash or Money Order only please)**. Parking is on a first come first serve basis. If you want a good parking place, you will need to get here early. If you are driving a different vehicle for any reasons, you will need to use your assigned permit or report to the front office and get a temporary pass to put in your vehicle (Please know your original decal #). If you fail to procure a temporary pass, you risk being ticketed or towed at your own expense.

The parking lots will be patrolled and violators will be given a citation and may be towed at the owner's expense for subsequent violations.
