The leadership and staff of Grand Bay Middle School have a strong belief in the importance of parental involvement. Therefore, measures were put in place to offer parent meetings on a flexible schedule. The Statewide Parenting Day will be held on Monday, October 17, 2022. Parents are notified through our school website, school messenger, Facebook page, morning and afternoon announcements, and posted on the school marquee. The following topics will be discussed one on one: being a Title I school, the importance of attendance, opportunities for parent involvement, explain report card grades, schedule parent conferences and have Schoology/Powerschool parent log ins if applicable.

GBMS believes in involving parents in all aspects of the Title I programs. Our process for how all parents have the opportunity for involvement in decision-making is as follows: School personnel and parent leaders who are knowledgeable about Title I, parental involvement, and parents' rights serve as representatives on decision-making committees and as contact persons for parents to answer questions about parental involvement and parents' rights. They keep parents informed of various committee work and receive input from parents for committee decisions. They assist in evaluating the parental involvement plan, and assist in training other parents to be parent leaders. Title I parents are introduced to the parent leaders at the annual meeting of Title I parents at the beginning of the school year. Parents are reminded of involvement activities going on throughout the year through the GBMS web site, Facebook, marquee, and phone messaging. Funds allocated for parent involvement have been used to purchase parenting booklets, postage, and good notes to mail home. The compacts were dispersed, explained, and asked to be signed signifying the parents' commitment to working in partnership with the school and to ensure that their children are successful in school. Teachers will explain the compact to students and obtain student signatures.
