

Mrs. Tibbals 6th Grade

Social Studies: I can learn about the culture, terrain, geography, government, and economy of Central America and the Caribbean.

Science: I can explain how different types of energy and motion move and transfer through waves.

Reading: I can trace and evaluate the argument and specific claims in a text; then analyze how the reasoning and evidence supports or does not support the claim.

I can analyze the meaning of figurative, connotative, and technical meanings of words and phrases in a text.

Writing: I can write functional text that is appropriate to task, purpose, and audience.

Math: I can recognize real-world problems when two ordered pairs differ only by sign, and then the locations are related to reflections over one or both axes.

I can solve real world multistep geometric problems including decimal and fractional measurements.

I can solve real world problems by finding surface area for three-dimensional figures using nets with fractional edges.

I can find the missing side length of a right rectangular prism given a volume and fractional side lengths.

Single Shard, by Linda Sue Park

Important News

If you ever need to contact me or would like to visit about any concerns or classroom happenings I will always make time to visit with you. You can call (208)835-4261 or email at ctibbals@troysd287.org.

Valentine's Day Info: 6th grade will **NOT** have a class party or exchange valentines this year. We are planning a project that will bring smiles to the Troy community in the form of love rocks, inspired by Anna and Abby (www.love-rocks.org).

Review of expectations: Sixth grade is taking time this month to closely review the expectations here at Troy Elementary. We have many new students and this is a great time to remind all of us what it looks like to be

Teachable, Respectful, Orderly and Safe, and Own our mistakes. These skills help us to make our community a safe and fun place to play and learn. My goal is for every student to come to school and feel safe, included, and to have a voice.
