## A Note from the teacher:

We are starting Unit 2 in reading this week. This unit's essential question is "How do we learn about characters?" As we continue learning new spelling words and high frequency words each week, please be sure to continue using and practicing our prior high frequency words that students are expected to know fluently by now: **the, you, for, see, go, little, and, she, with, play, one, and have.**

Next week we will be learning about Johnny Appleseed. I would love to do an apple taste testing but in order to do that we would need some donations. **Please reach out if you would be able to donate a bag of apples, we are in need of red, yellow, and green.**

**Spelling Words:** men, pen, ten, bed, fed, let, met, wet

**High Frequency Words:** look, my, said, two, are
