Request for Proposal (RFP) for Educational Service

RFP Number: 050624

1. Introduction:

Bamberg County School District is seeking proposals from qualified vendors for a digital educational service that aligns with the South Carolina College and Career-Ready Standards (SCCCRS) and provides an end-to-end learning solution. The selected vendor will deliver a research-based design, proven effectiveness in improving student achievement, and comprehensive support for educators and administrators.

2. Objectives:

The primary objectives of this RFP are to:

- Implement a research-based educational service that aligns with learning science principles.
- Improve student achievement through effective instructional practices.
- Provide educators with actionable analytics, diagnostic tools, and standards-aligned curriculum.
- Foster collaboration and ongoing support between the vendor and the district.

3. Scope of Work:

The selected vendor will provide:

- An end-to-end learning solution encompassing diagnostic and benchmark assessment, standards-aligned curriculum, and actionable analytics.
- Flexible options for real-time diagnostic, formative, interim, and summative assessments.
- Comprehensive and adaptive curriculum aligned to the South Carolina College and Career-Ready Standards (SCCCRS).
- Interactive skill plans supporting lesson planning for SCCCRS instruction, SC Ready Assessment preparation, and core curriculum.

- Actionable analytics at the district, school, teacher, and student levels.
- Ability to create customized quizzes aligned to instructional resources and standards.
- Seamless integration for single sign-on, auto rostering, and learning management systems.
- A dedicated district partnership team for ongoing collaboration and support.

4. Proposal Requirements:

Vendors submitting proposals must include:

- Company background and experience in providing educational services.
- Description of the proposed end-to-end learning solution and its alignment with the SCCR standards.
- Evidence of proven effectiveness in improving student achievement, including case studies or research findings.
- Detailed descriptions of assessment options, curriculum materials, and analytics capabilities.
- Information on customization options and integration with existing systems.
- Pricing structure, including any associated fees for implementation, training, and ongoing support.
- References from current or past clients in the education sector.

5. Evaluation Criteria:

Proposals will be evaluated based on the following criteria:

- Alignment with the South Carolina College and Career-Ready Standards.
- Research-based design and proven effectiveness in improving student achievement.
- Comprehensive end-to-end learning solution, including assessment, curriculum, and analytics.
- Flexibility and customization options to meet the district's needs.
- Seamless integration with existing systems and support for single sign-on.
- Quality of ongoing collaboration and support provided by the vendor.
