

## 5th Grade Remote Learning Schedule

Please see the attached schedule for your child to follow on any remote learning days we may have. To make the day run more smoothly, the teachers have asked that the students have their **google meet open by 8:10**.

To log on to a google meet, turn on the computer. Click on the google circle icon. In the upper right corner, click on the nine dots (we call it the waffle). Click on the box that says Meet. In the rectangle that says enter a code or nickname, enter the code. Voila! You are in!

If your child is having any trouble getting into Google Meet, they should access their Google Classroom to communicate with their teacher and get classwork and/or assignments for the day.
