

Patton and Lee's Geniuses Newsletter

October 11-15, 2021

We strive to offer an environment that empowers our students to achieve their goals while partnering with the community through collaboration and embracing Cub pride.

Vocabulary

Characters
Order of events
Volcanoes
Lava
Rocks
Place value
Time

Important Information

Welcome to a brand new 9 Weeks. On Friday, we will be doing a special experiment.

If you need me for anything, please call me.
Student of the Month
Melanie Green

Weekly Focus

Math:

We are learning about place value, telling time, adding and subtracting, and counting

ELA:

We are learning about characters, telling events of a story in order, working on our letters and sounds. We will also learn new letter sounds

Science:

This week we will be learning about volcanoes

Social Studies:

We are learning about what to do when we're angry.

What We're Doing

We have a super busy week this week! We are learning about fall, volcanoes, and new letter sounds. On Friday, we will have a special project.

Every Student Matters, Every Moment Counts
