

2023–2024 TRION CITY SCHOOLS STUDENT APPLICATION FOR ENROLLMENT

The Trion City School System includes PreK-5 (Elementary School), grades 6-8 (Middle School), and grades 9-12 (High School). There is a rich tradition of academic excellence throughout the school system as evidenced by many academic awards and accolades. We appreciate your interest in applying for admission at Trion City Schools for the 2023-2024 school year.

The following application is to be completed and signed by the primary custodial parent/guardian of the student. Applications are submitted and evaluated annually, whether the student is an existing student of Trion City Schools or a new applicant. **Please initial in the appropriate spaces to indicate your understanding of the policies of Trion City Schools.** Acceptance and continued enrollment of students living outside Trion City School district are based on each of the following criteria:

- _____ Academic Achievement, including course grades and local & state assessments
- _____ Attendance Record, including absences and tardies
- _____ Discipline Record

Tuition:

There is a \$200.00 tuition fee per child if he/she resides outside the Trion City limits attendance area. The maximum tuition fee per family is \$450.00. **This fee is due by April 28, 2023.** If a payment plan is needed, contact must be made with the office of your child's school. The custodial parent/legal guardian is responsible for paying the fee before the student may enter school. Admission does not mean permanent or on-going acceptance into the Trion City School system.

Residency:

- Residency is determined by the residence of the custodial parent/legal guardian. Custodial parent is defined as the parent who has been given legal primary guardianship by the court.
- Any resident student may be asked to supply proof of residency at any time. School officials may also visit the residence for verification at any time.
- Any custodial parent or legal guardian who knowingly and willingly falsifies an application shall cause the student to be dropped immediately from the school roll.
- It is the responsibility of the custodial parent/legal guardian to notify the school when there is a change in residency. If city residency should change during the summer months, a non-resident fee is due. If non-resident status should change to city resident status during the summer months, a refund is due for any amount already paid, and proof of residency must be submitted. Please refer to board policy JBCB regarding all other refunds and/or tuition payments.
