Special Message to Power 88 Listeners

As many of you may know by now, we have been forced to broadcast from our smaller backup transmitter. This means not only a substantial loss to our coverage area but also a weaker signal in the area that we are still able to cover.

As strange as it may sound, our larger main transmitter was completely taken out by a serpent. Yes, a serpent. A snake somehow found its way into our transmitter building and into the transmitter cabinet before finding its demise.

Unfortunately, it also caused the complete demise of our transmitter. For over five weeks now, we have had engineers and Harris/Gates technicians attempting to repair our damaged transmitter but have had little to no success. We have replaced the main tube, a number of other components and practically the entire wiring system. But, it is still out of service.

So given the situation and the age of the transmitter, our only other logical option is to replace the damaged transmitter with a newer solid-state transmitter.

This is where you come in. As our supporters, donors, underwriters and prayer warriors, we could definitely use you now. We would ask that you prayerfully consider making a special donation towards this project. Not as your normal contribution but one as God lays on your heart to help us during this time of need. This is a costly endeavor but it is one that we are forced to make.

So, even if it is not within your means to contribute at this time, we do ask that you please continue to keep us in your thoughts and prayers. We also ask that you bear with us as we continue to work through this project during the coming weeks.

Thank you and God Bless!

Highlights from Letters to Power

God uses this station daily in my life but so many times it's in the wee hours of the morning that I hear some of the most uplifting and encouraging music. I thank God for your commitment through the years and thank each worker for blessing us with the task God has put before you."

I enjoy and appreciate your radio station. I listen anytime I am driving. While I realize we all have different needs and preferences, I believe there is ministry in music. My entire family are musicians and enjoy your music selections. Thanks for your radio ministry. Your love for others and for the Lord shines through all you do.
