

Call Out for March 17, 2023

This is Richard Dennis, Superintendent of Elmore County Public Schools.

Happy St. Patrick's Day and a happy birthday to all of you born today with Irish luck!

Spring Break is here and everyone is excited to be out of school next week. All Elmore County facilities, except the Elmore County Child Development Centers will be closed for the entire week. We hope everyone enjoys the week and safe travels if taking vacations. Please, be reminded that state testing for elementary schools will begin to take place the first two weeks after returning from spring break. Check your student's school's website for a specific testing schedule.

If you would prefer to get my call outs and other system-wide communications and school responses to inclement weather texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

Stay dry today and enjoy your Spring Break next week!
