Career Day at LLE

On November 14th, our 4th grade students held Career Day at LLE. The students selected a career and then had to explain how math is used in various ways in different careers. They had to design a poster explaining the field of work they chose and how math was involved. Finally, they were able to dress up in their chosen field of work and present to their parents what they learned. They all did an amazing job on their projects.

Mr. Marc visits CRS

Mr. Marc visited with our County Road students this week. He brought in a few animals from the Closter Nature Center to show the children. He taught them about the different animals and their habitats. He also went over what they eat and explained what it was to be a herbivore and a carnivore. He was able to explain how some animals can camouflage themselves as protection from other animals.

Winter Concerts

On Friday, December 6th, LLE held their Winter Concert and CRS held their Winter Concert on December 13th. The students were so happy and excited to perform for their families. We would like to extend a big thank you to Ms. Ahn and Mrs. Urban for the amazing performances! We would also like to thank Mrs. Stokes for all of the beautiful artwork.

December 13, 2024

Dear CRS and LLE Families,

Our County Road Schools students were amazing today at their yearly Winter Concert. Your voices filled our hearts during such a busy time of year!

I would like to extend my gratitude to the PTO for hosting the first ever Holiday Boutique. Our students had the opportunity to shop for their families, and themselves, with the help of many volunteers.

Please note the items below:

- **Preschool Winter Concert-12/18/24**-Please click [here](#) for more details.
- **Preschool/Kindergarten Registration:**
 - **Preschool:** If you are interested in enrolling your child in the preschool program for the 2024-2025 school year please contact Mrs. Rraci at CRS at 201-768-6060 ext. 51535.
