

SUPERINTENDENT'S OFFICE
Dr. William R. Henderson
Superintendent of Schools
September 8th, 2023

For Immediate Release:

**NOMINATIONS BEING ACCEPTED
FOR FRAZIER "HALL OF FAME"**

Dr. Henderson, Superintendent of Schools at Frazier School District, announced that the Frazier Hall of Fame Committee is accepting nominations for the "Frazier School District Hall of Fame." Nominations are being accepted through Tuesday, October 10th, 2023. Nomination forms are available at the district's administrative offices or the middle school/elementary offices.

The purpose of the "Hall of Fame" is to recognize those alumni of the Frazier School District who have distinguished themselves through outstanding achievements in their professional career or through outstanding contributions to their community or society. To be considered for the "Hall of Fame," a candidate must meet the following criteria: 1) The candidate must be an alumni of the Frazier School District; 2) A period of twelve years must have elapsed since the candidate's graduation; and 3) The candidate must have distinguished himself/herself through outstanding achievements in his/her professional career or through outstanding contributions to his/her community or to society.

Under the character of the "Hall of Fame," outstanding achievements in one's professional career are described as accomplishments that make the candidate clearly stand out among his/her colleagues. Outstanding contributions to the community or to society are described as those acts that have led to major improvements in the quality of life in the candidate's community or in society.

Any Frazier alumni or current student may nominate a candidate for the "Hall of Fame." Nominations must be submitted on official forms that are provided by the Hall of Fame Committee.

The Hall of Fame Committee will review the nominations and will elect inductees into the "Hall of Fame." Up to three inductees may be elected each year.

During the induction ceremony, the school district will present each inductee with a plaque to commemorate his/her election into the "Hall of Fame." The district will also hang a framed portrait of the inductee in the "Hall of Fame" which will be located at Frazier High School.
