2003 Leonine Dedication

*In
his
own
words
...*

“For me, it’s all about family. This school and everyone in it is my second family. We have some good times and we have some bad times. But just like family, at the end of the day, we all come back together and the love is still there.”

ONE IN A MILLION...what does that mean?

At Central High School, it means that you are referring to Mr. LeBlanc. During his years at Central, he has been a teacher, a track coach, a basketball coach, and an assistant principal. But these titles only scratch the surface at the essence of this man: he's a devout disciple; he's a loving husband; he's a hands-on father; he's a friend and mentor to students as well as an instructor and a disciplinarian; he's an advocate for teachers and staff; he's a dyed-in-the-wool Lions fan; and most of all, he's someone that we'd all like to be like when we grow up. We are honored to dedicate the 2003 Leonine to a guy who is truly "one in a million"!

ONE MOMENT ...

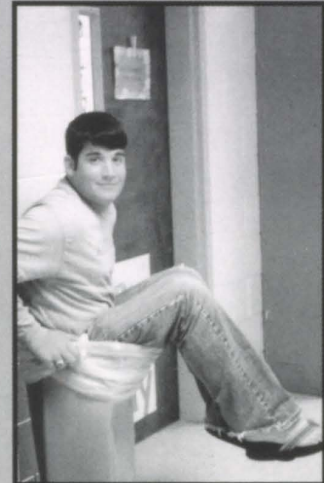

My most memorable experience in high school was when my car broke down at the redlight in front of the school. I had to sit there forever, backing up traffic and watching people stare until the tow truck came.
-Jennifer Wright

One day I was putting my lunch tray up when I slipped on a green bean and did a split in front of everyone! The worst part was that I was wearing a wrap around skirt!
-Onedia Swint

I had almost survived my entire high school career without getting shoved in a trash can. That is, until last year, when the competition cheerleaders forced me into one.
-Alex Parker

Most of the seniors probably remember our ninth grade pep rally. It was the best. But we got so rowdy that the rest of the pep rallies for our freshman year got canceled.
- Lindsay Cagle

One time after a football game, I tripped down the bleachers, drum and all. I just laid there on the concrete embarassed while the entire band thought I was dead. -Josh Erwin

I will never forget the day I wore my spandex gym shorts to school just for the heck of it . Boy did I get some stares!
-Nick Rushing

I will always remember the skeleton in Mrs. Wilkin's classroom. When I first saw her, it was love at first sight. I spent time with her everyday and we have wonderful memories together. Boy, I'll miss her when I graduate.
- Jason Parker

One day I was eating Junior Mints and I couldn't find the box. Then I realized I had sat on it! All day I walked around with squished mints on my butt. -Tiffany Edwards

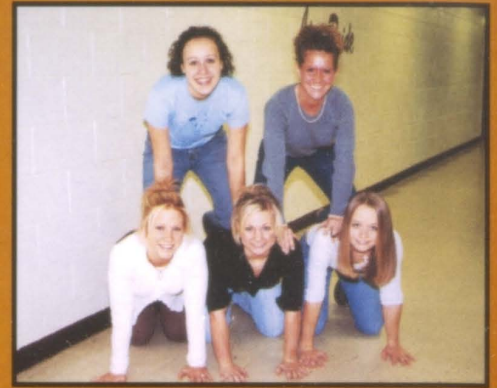

I was so humiliated in ninth grade when I was up on the stage in an assembly in front of the whole school, when suddenly, I fell off the stage. I still haven't lived that one down. -Zach Parker

I distinctly remember the time I was drinking a Coca-Cola and someone hit my arm, pouring it all on my head. . It was horrible!

Andrew Hicks

You've seen him in class--usually sitting in the back. He's one of those students who always has his work done. He's friendly but seems quite shy. What you may not know about him is his devotion to his faith. He leads a Bible devotion each morning at 7:45 AM, and on the first Wednesday of each month, he organizes the "See You at the Pole" devotion which includes music, prayer and meditation. He also plays guitar for two praise bands. He always has a smile for everyone and you'll never catch him hurling insults or talking behind someone's back. He may seem like an average student, but he's really **ONE IN A MILLION!**

Mr. Bobby Lay

He comes in at 6:30 AM on some mornings and stays as late as 8:00 PM on some evenings. He is as handy with a tractor as he is with a hammer or screwdriver. He'll carry those heavy boxes from the office to your room. But most importantly, he always has a smile and a "Hey, how you doin'?" for students and teachers alike. As one student stated, "You haven't really been a part of Central High School unless you've been buddies with Bobby Lay--he's the nicest guy around." So don't be fooled by his uniform--he's no average staff member--he's ONE IN A MILLION!

is always here when the doors are
open, working on or helping with
something. There's no need to ask
him if he likes to teach or if he
thinks what he does is important--
you can see it in his eyes and

 Bump, Bump, Bump, Set it, Set it,
 That's the way you spike that ball.
 That's the way yeah, that's the way. 
 You go, girl!

Starting at Square One...

New coach, new team, new season--equals quite a challenge for this second-year volleyball team. With only five veterans and six rookies, it took many hours of suicides, spiking, serving, setting, and sweating to prepare to play some of the best teams in middle Georgia. Not only was the season a success, but the memories made will last a lifetime.

A Teacher's Story

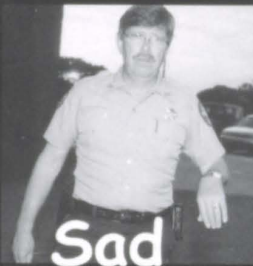

A student once asked for help during a test. I told her that I could not help her. She asked, "Don't teachers take an oath to help people?" I said, "No, that's a Doctor." What do teachers take?" she asked. I replied, "Tylenol!"

Jessie...

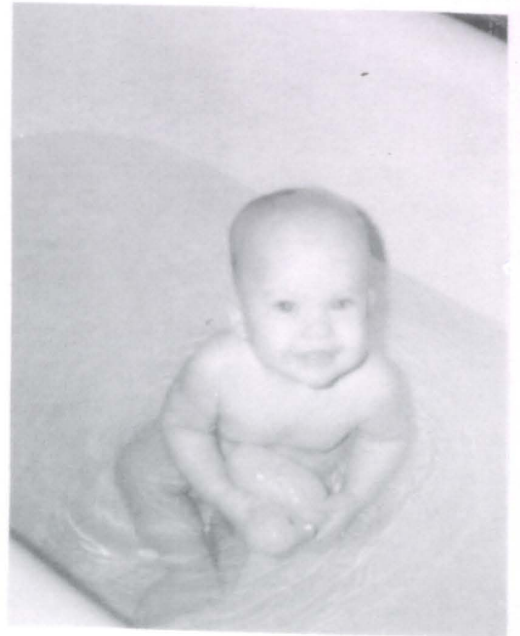

Twelve years of school
You've made it through
And we are all
Real proud of you

You've sighed and cried
And hurt inside
And sometimes all
Our patience was tried

You acted goofy
Laughed and danced
Ran around in
Your underpants

Through ups and downs
You forged ahead
Well past time
To go to bed

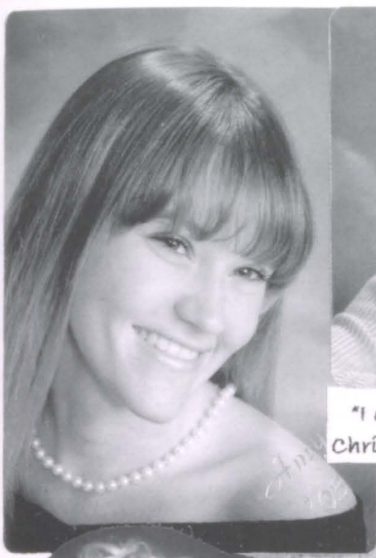

The wish we give
For each and every day
Live, love, and learn
And you'll be okay

Spread your wings
And fly away
Cause in our hearts
You'll always stay.

Love,

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race that has been marked out for us.

SONS fill our soul with pride.
 They are humanity's true strengths.
 Charming us, they learn to brave life's
 greatest adventures with a heart filled
 with courage. Ball games and fun hanging
 out with friends soon become challenges
 on the playing field of life. Our hope for the
 future resides in their dreams.

*From a loving little
boy to a loving
young man, we
could not be more proud!*

*We love You!

Congratulations, Erick!

*If someone were to ask us
what has been our biggest
accomplishment in life,
We would lift our heads high
and speak from our hearts
with parent's pride
as we said the words
"our son."*

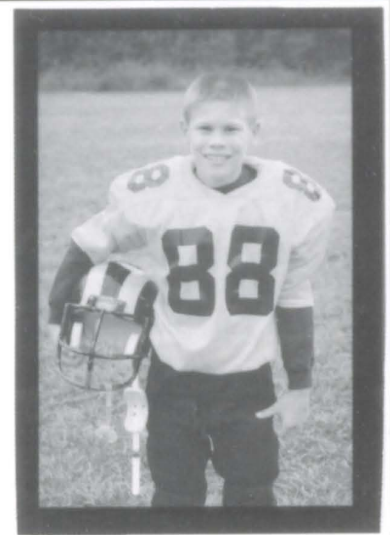

*You have just accomplished
only one of the many accomplishments
yet to come in your lifetime.*

*We are so proud of you
and we wish you the very best
in all your future endeavors.*

*We Love You!
